INITIAL NOTIFICATION OF DOWNED AIRCRAFT

(AE Reg 95-40)

Data required by the Privacy Act of 1974

Authority: 10 USC 3012.

Principal purpose(s): To provide specific initial data of downed aircraft information in a logical sequence to probable recipients.

Routine use(s): Specific data must be obtained from the person making the initial telephonic report of an aircraft crash or emergency to establish the identity of the person by name, location from which call is made, time of crash, whether or not aircraft is on file, the geographic location of the mishap, and other related information. This form is used for this purpose. See routine uses set forth at 40 Federal Register 35151.

Mandatory or voluntary disclosure and effect on individual not providing information: Name and grade for item 9 is voluntary. Not providing information may impede proper assistance to downed aircraft.
