4. RESPONSIBILITIES

a. The USAREUR G4 will—
   (1) Establish container policy for USAREUR-owned containers.
   (2) Determine the number of containers to be assigned to each unit.

b. The Commanding General, 21st Theater Support Command (21st TSC), will—
   (1) Establish container-storage activities to store USAREUR-owned commercial containers not required by units.
   (2) Ensure funds are available for the maintenance and repair of USAREUR-owned commercial containers.

c. The Commander, 200th Theater Support Command Materiel Management Center (200th TSC MMC), will—
   (1) Inspect containers.
   (2) Collect and store inspection records of USAREUR-owned commercial containers.

d. The Commander, 1st Transportation Movement Control Agency (1st TMCA), will—
   (1) Serve as the executive agent for procedures to control and move commercial containers.
   (2) Maintain an inventory by serial number to control every USAREUR-owned commercial container entering, leaving, or moving in the USAREUR area of responsibility.
   (3) Ask the Commanding General, 21st TSC, to select container-storage activities.
   (4) Ask the Commander, 200th TSC MMC, to assign a management-control number (similar to a national stock number) and line item number (LIN) for each USAREUR-owned commercial container. These numbers will help organizations keep control of containers between property book holders and help HQ USAREUR/7A when assigning containers to unit modification tables of organization and equipment.

5. INSPECTION REQUIREMENTS

a. Containers will be inspected to ensure they meet the standards in the Guide for Container Equipment Inspection, Fifth Edition (IICL-5), on return to USAREUR.

b. After an initial inspection, unit containers will be inspected at least once every 2 years. Empty containers at storage activities will be inspected at least once every 5 years.

6. MARKING REQUIREMENTS

a. The Commander, 1st TMCA, will publish marking requirements.

b. On initial assignment to a USAREUR unit and after the container is unstuffed (emptied), the container will be processed through USAREUR container-storage activities for inspection, repair (if needed), and marking.

7. CONTAINER ASSIGNMENT

Units will store surplus empty containers at storage activities designated by the Commanding General, 21st TSC.

8. MAINTENANCE

a. Preventive maintenance and repairs at the unit- and direct-support level will be according to the inspection standards in the Guide for Container Equipment Inspection, Fifth Edition (IICL-5), and in commercial manuals. Supporting activities will maintain USAREUR-owned commercial containers at storage activities.
b. The expenditure limit for maintaining USAREUR-owned commercial containers is $2,000. The maintenance activity will send a copy of a completed DA Form 2404 to the Commander, 1st Transportation Movement Control Agency (AERTMC-OC), Unit 25502, APO AE 09227-5502, after maintenance. The Commander, 1st TMCA, will use DA Form 2404 to give disposition instructions to units for USAREUR-owned commercial containers that exceed the $2,000 repair limit.

c. Depot-level maintenance on USAREUR-owned commercial containers is not authorized.

d. Commanders will plan, program, and budget to pay for their level of container maintenance.
