TECHNOLOGY, AND LOGISTICS
DIRECTOR, DEFENSE ADVANCED RESEARCH PROJECTS
AGENCY

SUBJECT: Audit of the Defense Advanced Research Projects Agency's Ethics Program (Project No. D2012-D000AB-0119.000)

We plan to begin the subject audit in February 2012. This audit will be the second in a series on Defense Advanced Research Projects Agency (DARPA) and will focus on DARPA's ethics program. Our audit objective is to determine whether DARPA's ethics policies and program implementation are consistent with Federal Government conflicts of interest mitigation standards and whether DARPA personnel are properly trained on and understand the policies. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at DARPA headquarters. We may identify additional locations during the audit.

Please provide us a point of contact for the audit within 10 days of the date of this memorandum. The point of contact should be a Government employee, a GS-15 or pay band equivalent or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address by mail, by fax to [REDACTED] or by e-mail (Adobe Acrobat file only) to [REDACTED]
