MEMORANDUM FOR COMMANDER, U.S. CENTRAL COMMAND
COMMANDER, U.S. TRANSPORTATION COMMAND

SUBJECT: Audit of the Afghanistan Rotary Wing Transport Contracts for the
U.S. Transportation Command (Project No. D2012-D000AS-0031.000)

We plan to begin the subject audit in November 2011. There will be a series of audits relating to Afghanistan rotary wing transport contracts to determine whether U.S. Transportation Command officials are properly managing and administering the contracts in accordance with Federal Acquisition Regulation and DoD guidance while contracting for services performed in a contingency environment. For this audit we will determine whether contracting officials have adequate controls over the transportation of supplies, mail, and passengers in Afghanistan. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at U.S. Transportation Command at Scott Air Force Base and may request data calls from designated U.S. Central Command officials in theater. We may also identify additional locations during the audit.

Please provide us with a point of contact within 10 days of the date of this memorandum.
