FORCE/U.S. FORCES-AFGHANISTAN

SUBJECT: Audit of the Oversight Processes and Procedures for the Afghan National Police Mentoring/Training and Logistics Support Contract (Project No. D2012-D000AS-0137.000)

We plan to begin the subject audit in March 2012. The audit will be the second in a series of audits on the Afghan National Police Mentoring/Training and Logistics support contract. Our overall objective for the series of audits is to determine whether DoD officials are using appropriate contracting processes to satisfy mission requirements and are conducting appropriate oversight of the contract in accordance with Federal and DoD policies. For this audit we will determine whether the Army, the North Atlantic Treaty Organization Training Mission-Afghanistan/Combined Security Transition Command-Afghanistan, and the Defense Contract Management Agency had adequate oversight processes and procedures for the contract. Additionally, we will determine whether the Army, the North Atlantic Treaty Organization Training Mission-Afghanistan/Combined Security Transition Command-Afghanistan, and the Defense Contract Management Agency conducted adequate contractor surveillance. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at the U.S. Army Contracting Command, Rock Island, Rock Island, Illinois, and various locations in Afghanistan. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **10 days** of the date of this memorandum. The point of contact should be a Government employee, a GS-15 or pay band equivalent or the military equivalent.
