SUBJECT: Audit of DoD's Progress to Effectively Consolidate Data Centers
(Project No. D2015-D000RC-0137.000)

We plan to begin the subject audit in March 2015. This audit is the first in a series of audits on data center consolidation. Our audit objective is to determine whether selected DoD Components are effectively consolidating their data centers in accordance with the Federal Data Center Consolidation Initiative. Specifically, we will verify the status of the consolidations and determine whether the actual efficiencies gained met the estimated efficiencies reported to the Office of Management and Budget. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at the Offices of the DoD Chief Information Officer and selected DoD Components. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **10 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to audrco@dodig.mil.
