Ranger Booth & More!**

ELK CREEK DAY 2017

The U.S. Army Corps of Engineers proudly invites you to explore miles of newly improved biking and hiking trails along Elk Creek during our second annual Elk Creek Day event.

This event is FREE. Parking may be limited; once the Lower Trailhead parking fills, we'll have overflow parking available 0.5 miles away.

Bring water, sunscreen, a hat, weather-appropriate cloths, and your bicycle helmet if you are going to ride. Limited snacks will be available after the 5k & 10 mile runs.
