

# F/V DESTINATION

## SAFETY MEETING

I hereby state that I have been shown the location and operation of survival suits, liferafts, EPIRB, flares, lifesling, general alarm, and all other emergency related items. In addition, discussions and drills have taken place, including, but not limited to, general alarm, fire, flooding, abandoning ship, and man overboard procedures. I feel competent in my own, and the ships ability to perform in an emergency situation.
