DoD and USAF moving at startup speeds

Lt Col Enrique Oti
DIUx, IT Portfolio Lead
Solving the tanker planning problem
The Gonk

The Plan in 4-6 hrs.

Whiteboard

MAAPTK

Thumper

Gonker

The Gonk

Planner

The Plan in 4-6 hrs.
Planner + TPT = The Plan in minutes
Lessons learned: processes, platforms, policies, and people
$1.5M investment in Pivotal + 120 days to build and launch the app = 7 days to break even
What next: invest in the team to build more applications delivering extraordinary capabilities, that demonstrate the DoD is operating differently.
