MEMORANDUM FOR NAVAL INSPECTOR GENERAL

**SUBJECT:** Followup Audit on the Military Sealift Command Oversight of Excess Spare-Parts Inventory and Purchases for Sealift Program Roll-On/Roll-Off Ships (Project No. D2017-D000AJ-0076.000)

We plan to begin the subject audit in February 2017. Our objective is to determine whether the Military Sealift Command implemented corrective actions for Recommendations A.3, A.4, A.5, B.1, and B.2 in DoD OIG Report No. DODIG-2014-106, "Military Sealift Command Oversight of Excess Spare-Parts Inventory and Purchases for Sealift Program Roll-On/Roll-Off Ships Needs Improvement," September 9, 2014, and determine whether those actions corrected the problems. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at Military Sealift Command, Norfolk, Virginia, and select ship ports. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **10 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to [audasm@dodig.mil](mailto:audasm@dodig.mil).

You can obtain information about the Department of Defense Office of Inspector General from DoD Directive 5106.01, "Inspector General of the Department of Defense (IG DoD)," April 20, 2012, as amended; DoD Instruction 7600.02, "Audit Policies," October 16, 2014, as amended; and DoD Instruction 7050.03, "Office of the Inspector General of the Department of Defense Access to Records and Information," March 22, 2013.
