SUBJECT: Audit of DoD Incident Response Capability for Mission-Critical Control Systems
(Project No. D2017-D000RD-0168.000)

We plan to begin the subject audit in July 2017. Our objective is to determine whether DoD has an effective program to detect, report, and respond to security incidents on mission-critical control systems. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at the Office of the Under Secretary of Defense for Policy, U.S. Cyber Command, the Military Service Cyber Commands and the Joint Staff. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **5 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to audrco@dodig.mil.
