	2	4 Weeks	0.5						
	3	6 Months	0.5						
	4	12 Months	0.5						
	5	18 Months	0.5						
	B	Annual	0.5						
	B	Annual	0.5						
	B	Annual	0.5						
	B	Annual	0.5						

Exemption	Date Exemption Begins	Anticipated Date of Exemption Completion	Actual Date of Exemption Completion

UNLESS NOTED IN COMMENTS, ALL DOSES WILL BE GIVEN WITH BIOTHRAX MANUFACTURED BY EMERGENT BIOSOLUTIONS.

Basic vaccinations series consists of 5 shots over 18 months, given as indicated above. The following intervals between doses must be maintained. The 2nd dose is given 4 weeks after the 1st dose; The 3rd dose is given 5 months after the 2nd dose; The 4th dose is given 6 months after the 3rd dose; and the 5th dose is given 6 months after the 4th dose. If one is late for a dose or strays from the established schedule, the next dose due should be given, with the intervals for the remaining doses maintained. A booster dose should be administered every 12 months. If an adverse reaction occurs following an anthrax vaccine, note in "comments" block above and on a SF-600 and complete a VAERS. Additionally, further administration of the anthrax vaccine should be temporarily discontinued until further evaluation and consultation (*DoD Vaccine Healthcare Centers* - www.vhcinfo.org) is completed.

Pregnancy: All women must be asked prior to receiving the vaccine if they are or might be pregnant. This will be asked in as private a setting as reasonably available. If the answer is yes, or possibly, the vaccine will be deferred until a confirmatory pregnancy test is done. If the pregnancy test is negative, the anthrax vaccine will be administered. If the pregnancy test is positive (*confirmatory*), administration of the vaccine will be deferred until the conclusion of the pregnancy. This temporary deferment will be noted above in the exemption block as due to pregnancy. The date confirmed is listed as the date the exemption begins.

Patient Identification (Required)

Name (*Last, First, MI*): _____

Social Security Number (*SSN*): _____

Date of Birth (*DOB*): _____

Unit: _____

OPFAC: _____
