\*\*\* USE REVERSE SIDE IF ADDITIONAL SPACES ARE NEEDED\*\*\*

It is the responsibility of the undersigned vessel operator registering pot gear for a gear co-op and all agents designated above, to provide the date and time set of each pot retrieved by that vessel operator or agent to observers and/or dockside samplers. An active vessel may collectively operate and transport crab pot gear of another registered and active vessel. **All gear must be removed from the water or placed in long-term storage within 14 days following the completion of fishing in a registration area (5 AAC 39.675).**
