SUBJECT: Audit of Defense Hotline Allegations Concerning Tanium Software  
(Project No. D2018-D000CU-0125.000)

We plan to begin the subject audit in April 2018. This audit is being conducted in response to allegations to the DoD Hotline. Our objective is to determine whether the Air Force and the Defense Innovation Unit Experimental complied with processes and procedures for cybersecurity and acquisition of the Tanium software program. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at the offices of the Defense Innovation Unit Experimental; Army Contracting Command–New Jersey; Army Network Enterprise Technology Command; Air Force Contracting; and the 24th Air Force. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **5 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to [audcso@dodig.mil](mailto:audcso@dodig.mil).
