(2) Interpret policy and procedures established in this regulation, but refer questions related to customs and tax issues to the NATO SOFA Office, Customs Executive Agency, Office of the Provost Marshal, G3/4 Protect, Office of the Deputy Chief of Staff, G3/5/7, HQ USAREUR.

(3) Approve or disapprove requests from agencies other than United States Army garrisons (USAGs) to issue AE Form 600-700A.

(1) Update this regulation after coordinating with appropriate authorities.

(2) Send requests for exception to this regulation that involve customs, tax issues, or SOFA-status extensions to the NATO SOFA Office.

(3) Authorize USAG commanders to requisition common access cards (CACs), DD Form 1173, AE Form 600-700A, and other types of accountable ID cards, and issue them as prescribed by this regulation.

c. The NATO SOFA Office will coordinate requests for exceptions to the customs and tax provisions of the NATO SOFA Supplementary Agreement and implementing agreements and this publication with the Federal Ministry of Finance. AE Regulation 550-175 provides more details.

d. ID-card issuing authorities (glossary) will—

(1) Designate ID-card issuing personnel in the grades of specialist, GS-4, and equivalent grades or above. Contractor employees may also be designated as ID-card issuing personnel. Exceptions to grade requirements may be approved by USAG commanders and the SOFA/ILS Office when the mission requires it.

(2) Maintain AE Form 600-700C to record issued AE Forms 600-700A.

(3) Maintain proper accountability of ID cardstock at all times and conduct and document a 100-percent inventory of all ID cards each month. CAC inventory is accounted for by using the inventory logistics portal (ILP) website.

(4) Issue ID cards to eligible applicants and ensure the verifying official has authorized the applicable logistic support items.

(5) Terminate ID cards as required in paragraph 2-9e.
(6) Establish strict screening procedures to ensure only eligible persons receive ILS. ID-card issuing authorities may request documentation or legal proof that the person is a dependent Family member before authorizing privileges.

(7) Issue replacements for lost or stolen ID cards only after being presented a copy of a memorandum from the local military police or provost marshal office confirming that a report has been made for the lost or stolen ID card.

(8) Maintain copies of DD Form 577 or signature-authorization memorandums on all verifying officials, sponsoring organizations, and other persons authorized to sign AE Form 600-700A.

e. Sponsoring agencies (glossary) will—

(1) Appoint verifying officials on DD Form 577 or signature-authorization memorandums, if appropriate.

(2) Ensure persons designated to verify applications are aware of their responsibilities as verifying officials. Sponsoring agencies will ensure verifying officials are familiar with applicable policy in this regulation and AFI36-3026_IP before sending DD Form 577 or a signature-authorization memorandum to the appropriate ID-card issuing authorities. Sponsoring agencies will arrange for training with the issuing authorities if required.

(3) Inform cardholders, at the time an ID card is issued, that they must give the card to their supervisor when they are no longer authorized ILS.

e. Verifying officials will—

(1) Be a commissioned officer, warrant officer, enlisted person in the grade of E4 or above, or a civilian employee in the grade of GS-4, NF-3, or the equivalent or above.

(2) Validate eligibility of bona fide beneficiaries to receive ID cards and associated benefits and entitlements.

(3) Determine which items of ILS are authorized according to AFI36-3026_IP and this regulation.

(4) Ensure the privileges expiration date is indicated on each application.

(5) Sign appropriate applications for ID-card issue.

(1) Requests must include—

(a) The official mailing address of the organization.

(b) The account number under which the organization receives accountable forms.

(c) The number of ID-card forms required for initial issue.
(d) A justification for the request.

(2) If the request is approved, the SOFA/ILS Office will designate the requesting agency as an ID-card issuing authority.

(3) If required, the United States Army Publications and Records Center of Excellence (P&R COE) will assign accountable-form control numbers so that the agency may requisition ID-card forms.

b. The designation of an organization or activity as an ID-card issuing authority will not be transferred, reassigned, or discontinued without the approval of the SOFA/ILS Office.

1-7. DOCUMENTATION

Only the forms and documents in this regulation, and customs forms, memorandums of authorization, and temporary authorization cards issued and signed by the NATO SOFA Office will be accepted at facilities that provide ILS.

1-8. POLICY VIOLATIONS

a. The following may result in adverse administrative or disciplinary action or criminal sanctions:

(1) Abusing privileges authorized in this regulation.

(2) Presenting false or fraudulent documents to obtain DOD identification or ILS.

(3) Making a false official statement concerning the status of a sponsor’s dependent Family member, a contractor’s entitlement to an ID card, or an entitlement to privileges for any individual.

b. Garrison commanders may revoke or permanently suspend ILS entitlements for persons who commit any of the violations in subparagraph a above.

c. Competent German authorities may take action against individuals in Germany who violate German tax or customs law. German customs authorities may temporarily suspend or permanently revoke the individual’s German customs registration (Zulassung) (glossary). Permanent revocations may be appealed to competent German customs authorities. United States Army Customs Agency-Europe (USACA-E) personnel have the authority to refuse the issuance of the status-verification document (AE Form 550-175K) required to obtain the Zulassung in all situations which may involve abuse and noncompliance.

d. Withdrawal of Army post office (APO) privileges must be coordinated with local APO officials and the Postal Operations Branch, Office of the Assistant Chief of Staff, G1, HQ IMCOM-Europe, to ensure the action is consistent with applicable DOD and AE postal support directives. If an investigation of a violation against postal support directives results in a suspension or revocation action, the suspending authority will report it to the Postal Operations Branch (IMCOM-Europe (IMEU-GP), Unit 23103, APO AE 09136-3103) and the NATO SOFA Office (USAREUR (AEPM-NS), Unit 29351, APO AE 09014-9351). When unaccompanied dependent Family members, military retirees, gray-area retirees (glossary), widows, widowers, and 100-percent disabled veterans commit violations against postal support policy, the local field office of the USACA-E will notify the German customs authorities and the Postal Operations Branch. Violations or abuse may result in loss of APO privileges and may be reported to German customs enforcement authorities for determination of any duties or taxes incurred and legal action to be taken by German fiscal authorities.
1-9. REQUESTS FOR CHANGES TO AND EXCEPTIONS FROM POLICY

a. Recommendations for Changes to this Regulation. Recommendations for changes to this regulation must be sent through command channels to the SOFA/ILS Office (IMCOM-Europe (IMEU-GBS), Unit 23103, APO AE 09136-3103.

b. One-time requests for ILS. Individuals requesting support that is not listed in this regulation will sent their request to the SOFA/ILS Office. The request must—

   (1) State the specific logistic-support privileges desired.

   (2) List the persons, including dependent Family members, for whom the support is requested.

   (3) Include a completed DD Form 1172-2 or AE Form 600-700B for persons wanting support.

   (4) Include the date of arrival in Germany, the purpose of the visit or assignment, and the expected length of stay.

c. Requests for Exceptions to Customs and Tax Policy. Requests for exceptions that involve customs or tax issues (for example, use of Exchange facilities or commissaries; customs exemption; use of the military postal service (MPS); purchase of petroleum, oils, and lubricants (POL); U.S. Forces privately owned vehicle (POV) registration; use of the value-added tax-relief form (VAT Form) (Abwicklungsschein) and SOFA-status extensions (glossary) must be submitted in writing with appropriate supporting justification and copies of documentation (for example, ID cards, passports, permanent change of station (PCS) or assignment orders, medical statements) to the NATO SOFA Office (USAREUR (AEPM-NS), Unit 29351, APO AE 09014-9351). The approving authority is the German Federal Ministry of Finance. If approved, the NATO SOFA Office will issue a memorandum authorizing customs or tax exemptions or SOFA-status extensions, as appropriate.

Unless specifically authorized by this regulation, commissary privileges will not be granted to non-U.S. DOD personnel and their dependent Family members. Requests for exception to provide commissary privileges to non-DOD or non-U.S. DOD personnel must be sent to the SOFA/ILS Office (IMCOM-Europe (IMEU-GBS), Unit 23103, APO AE 09136-3103). A justification must be provided that approving the request is in the best interest of the U.S. Government because those persons are connected with the DOD, their activities are related to the DOD, or they are performing functions for the DOD. The Director, IMCOM-Europe, will ensure that authorization decisions are made according to DOD Instruction 1330.17.
2-3. GOVERNMENT FAMILY AND UNACCOMPANIED-PERSONNEL HOUSING

Eligibility for Government housing and furnishings support is limited to active duty (AD) Soldiers and their dependent Family members, and DOD appropriated fund (APF) and nonappropriated fund (NAF) U.S.-citizen civilian personnel who were recruited in the United States.

2-4. DEPENDENCY DETERMINATIONS AND ILS FOR CERTAIN FAMILY MEMBERS

   a. General.

      (1) Issuing ID cards to certain types of Family members according to AFI36-3026_IP and this regulation may require the sponsoring agency (glossary) to review the Family member’s dependency status to determine eligibility as a dependent Family member (glossary). This applies to the types of Family members listed in AFI36-3026_IP, paragraph 19.21 (incapacitated children over age 21), paragraph 19.22 (parents/parents-in-law, stepparents, and parents-by-adoption), and paragraph 19.24 (illegitimate children under age 21). Family members not eligible for this specific dependency status may qualify as member of household (MOH) (glossary) according to chapter 10 of this regulation.

      (2) Dependency implies an existing condition. Previous dependency or the possibility of future dependency does not determine current dependency.

      (3) The Family member’s monetary income from all sources other than the sponsor must be less than 50 percent of the Family member’s monthly expenses.

      (4) The sponsor must be responsible either by cash contribution or by value of services provided (such as room and board) for more than 50 percent of the Family member’s support.

   b. Request Procedures for DOD Civilian and Contractor Sponsors.

      (1) For Family members described in subparagraph a(1) above, the sponsor will submit a written request to the sponsoring agency for determination of dependency status. The request must be sworn to by both the sponsor and the Family member and be notarized. Requests must include the documentation listed in AFI36-3026_IP, attachment 5, and the following:

         (a) A statement as to whether or not the Family member was claimed as an exemption on the sponsor’s last income-tax return. The statement must provide the name of the internal revenue district to which the return was sent or the reason why the Family member was not claimed.

         (b) A statement as to whether or not the Family member is living in the sponsor’s household and, if so, for what periods.

         (c) Statements and documents providing evidence of the Family member’s total monthly income and personal living expenses and the sponsor’s total contributions toward the Family member’s total monthly personal living expenses.
(2) Sponsoring agencies will determine eligible Family members. Written approvals or disapprovals ((a) and (b) below) will be prepared and provided to sponsors. Questionable requests must be coordinated with the local staff judge advocate office. As a minimum—

(a) Approvals must include guidance on when and where to report to receive a dependent Family member ID card and advice on the documentation required by the ID-card issuing authority.

(b) Disapprovals must include reasons why the Family member is ineligible for dependent or MOH status and refer the sponsor and the Family member to host-nation immigration authorities regarding alien-registration requirements. If the request was for a renewal, the sponsoring agency will advise the sponsor and the Family member that the authorization cannot be renewed and why, and that the sponsor must immediately return the Family member’s ID card to the sponsoring agency if the Family member’s dependent status ends before the ID card expires.

c. Request Procedures for Soldiers. For Family members described in subparagraph a(1) above, Soldiers will send requests for determination of their Family members’ dependency status to the Defense Finance and Accounting Service-Indianapolis (DFAS-IN) (8899 East 56th Street, Indianapolis, IN 46249-0855) according to the procedures in AFI36-3026_IP, paragraphs 19.21, 19.22, or 19.24. Family members who do not meet the eligibility requirements for dependency status according to DFAS-IN may be eligible for MOH status according to this regulation, chapter 10.

d. Identity Document. Family members with approved dependency status will receive DD Form 1173.

e. Expiration Date. The expiration date on ID cards issued to Family members granted dependency status under this paragraph will be the sponsor’s current tour-completion or contract-expiration date, or the date the Family member’s dependency ends, whichever is earliest.

f. Authorized Support. Family members granted dependency status under this paragraph are authorized the same ILS as their sponsor.

g. Special Instructions.

(1) Sponsors will send requests for renewal of the Family member’s dependency status to the sponsoring agency 30 days before the expiration date on the Family member’s ID card. Requests must include a complete copy of the previous approval, a copy of the approved extension of the sponsor’s tour-completion or contract-expiration date, and documented evidence of continued support.

(2) Requests for renewal of dependency status for some Family members cannot be granted. Examples of Family members for whom requests cannot be granted include children who—

(a) Marry, regardless of their age.

(b) Are 21 years old or older and not enrolled full-time in an institution of higher learning and are not mentally or physically incapacitated. Children of APF and NAF civilian employees who traveled to their sponsor’s European duty station in Germany as dependent Family members at Government expense and became 21 years old during the sponsor’s overseas tour may qualify for MOH status according to paragraph 10-1.
(c) Are 23 years old or older and were not mentally or physically incapacitated before age 21.

(3) Temporary ID cards will not be issued pending approval of the sponsor’s tour-completion or contract-expiration date, request for dependency determination, or renewal of the dependent status.

2-5. ILS DURING LEAVE WITHOUT PAY

ILS will continue when an employee is in a leave-without-pay status until the servicing civilian personnel advisory center determines (in consultation with the employee’s supervisor) that the employee-employer relationship is severed. In no event will ILS be continued for civilian employees who are in a nonpay status in excess of 60 consecutive calendar days. ILS authorization for such individuals will be terminated effective the 61st calendar day of such status. Once terminated, the employee’s authorization for ILS may be reinstated if full-time (glossary) civilian employment is resumed.

2-6. ILS FOR INDIVIDUALS ACTING IN LOCO PARENTIS

a. General. ILS may be authorized for individuals acting in loco parentis (“in place of a parent”) in situations involving U.S. Forces personnel deployed to support peacekeeping, contingency, or security operations. These authorizations grant customs and tax exemptions to non-SOFA status personnel while caring for the children of single military and civilian personnel, dual-military couples, and dual-civilian personnel deployed or deploying to support peacekeeping, contingency, or security operations. In dual-parent families, both parents must be deployed or deploying for non-SOFA status personnel to qualify for the in loco parentis authorization. In loco parentis authorization is not a legal basis for entering or staying in Germany nor does it authorize the individual to work on the German economy.

b. Requesting in Loco Parentis Authorization. Sponsors will submit the request for in loco parentis authorization to the NATO SOFA Office (USAREUR (AEPM-NS), Unit 29351, APO AE 09014-9351). The following information and supporting documents must be included in the request:

(1) The sponsor’s personal information, including full name, grade, Social security number (SSN), unit or organization address, APO number, unit or organization contact telephone number, date eligible for return from overseas (DEROS) or tour-completion date, residence address and telephone number, and POV license-plate number.

(2) The sponsor’s marital status (if married, indicate the location of the spouse (glossary)).

(3) The number and ages of children.

(4) The full name of the person acting in loco parentis, nationality, passport number or ID-card number, date of arrival in Germany and purpose of stay, place of residence and address, and type and number of driver’s license.

NOTE: If from the United States, the person acting in loco parentis should get an international driver’s license before arriving in Germany. An international driver’s license obtained in Germany is not valid in Germany. A U.S. Forces certificate of license will not be issued.

(5) A copy of deployment orders (or written deployment verification by the commander or head of organization).
(6) A copy of the passport of the person acting *in loco parentis*.

(7) A copy of the visa or *Aufenthaltstitel* (resident permit) for Germany if the person acting *in loco parentis* is not a citizen of a European Union (EU) member state (*glossary*), issued by the *Ausländerbehörde* (alien-control authorities) or a German embassy.

c. **Identity Document.** If *in loco parentis* authorization is granted, the NATO SOFA Office will issue a memorandum of authorization and AE Form 600-700A (*chap 3*) with a specified expiration date. The issued AE Form 600-700A must list “Germany” in block 15.

**SECTION II**

**ID CARDS**

2-7. **TYPES OF ID CARDS**
The following types of ID cards will be issued according to DOD Instruction 1000.13 or AFI36-3026_IP, as appropriate:

a. **United States DOD/Uniformed Services Geneva Conventions Identification Card (CAC GC).** A CAC GC will be issued to—

   (1) All AD military personnel.

   (2) Emergency-essential (EE) civilian employees as defined by DOD Directive 1404.10.

   (3) Contingency contractor employees as defined by DOD Instruction 1100.22.

**NOTE:** To be issued a CAC GC, EE civilian employees must have official documentation confirming their assignment to an EE duty position (for example, DD Form 1172-2, DD Form 2365). Contingency contractors must have official confirmation included in their contract statement of work that their service or support is vital to a contingency, mobilization, or wartime mission. Contingency contractor employees must be located in contingency areas or be subject to deployment to contingency areas to perform functions in direct support of the essential contractor service.

b. **United States DOD/Uniformed Services Identification and Privilege Card (CAC PRIV).** A CAC PRIV will be issued to—

   (1) All civilian employees of DOD and the uniformed Services when employed and residing overseas in noncontingency areas, except those identified in c(2) and (3) below.

   (2) Civilian personnel under private contract with the DOD or a uniformed Service when employed according to the provisions of chapter 9 and to non-EE civilian and noncontingency contractor personnel not otherwise entitled to a CAC PRIV, when deployed to peacekeeping or contingency operations for 365 days or more.

c. **United States DOD/Uniformed Services Identification Card (CAC CIV).** A CAC CIV will be issued to—

   (1) DOD contractor employees when employed and residing overseas in noncontingency areas, without authorized ILS.
(2) Civilians who are not EE or contingency contractor personnel and not otherwise entitled to a CAC PRIV or CAC CIV, when deployed to peacekeeping or contingency operations for less than 365 days.

(3) DOD civilian or contractor employees who require a CAC CIV for computer use associated with their DOD employment and who receive their authorized benefits through possession of DD Form 1173 issued based on their status as a Family member of a DOD military, civilian, or contractor employee.

(4) Local national employees and foreign military personnel who require a CAC for computer use associated with their DOD employment or affiliation.

d. DD Form 2.

(1) DD Form 2 (RET) will be issued to personnel entitled to retired pay, including personnel on the Temporary Disability Retired List and permanently disabled retired personnel.

(2) AFI36-3026_IP provides details on and eligibility for other kinds of DD Form 2.

NOTE: Members entitled to retired pay and the Department of Veterans Affairs (VA) awarded disability compensation remain entitled to DD Form 2 although they waive their retired pay to receive VA compensation.

e. DD Form 1173. DD Form 1173 will be issued only to Family members as prescribed in AFI36-3026_IP and this regulation.

NOTE: DD Form 1173 will not be issued to anyone younger than 10 years unless circumstances require that an ID card be issued. AFI36-3026_IP, paragraph 4.4 and table 4.3, should be consulted for circumstances under which children younger than 10 years may be authorized an ID card (for example, when the child is of a joint Service couple or a single parent; the child does not reside in the household of an eligible adult Family member; the child resides in the household of an eligible adult Family member, but the Family member does not enjoy SOFA status in Germany and the child would be entitled to a Zulassung.)

f. DD Form 2765. DD Form 2765 will be issued to—

(1) Medal of Honor recipients and honorably discharged veterans rated by the VA as 100-percent disabled from a uniformed Service-connected injury or disease (other than current retired members of the uniformed Services (AFI36-3026_IP, chapter 24).

(2) United Service Organizations (USO) and United Seamen’s Service (USS) personnel assigned to duty in foreign countries who meet the eligibility criteria specified in chapter 12. DD Form 2765 will be overstamped with “OVERSEAS ONLY” for personnel in this category.

(3) Individuals eligible for the Transition Assistance Management Program, special separation benefits, or the voluntary separation incentive will have their cards overstamped with “TRANSITION ASSISTANCE.” These individuals are authorized medical benefits only.
2-8. ENTITLEMENT TO MULTIPLE TYPES OF ID CARDS
This paragraph applies to persons with more than one status (for example, a civilian employee who is also a Family member of a military member, civilian employee, contractor employee, or military retiree). Persons in this category are entitled to and will be issued separate ID cards showing each status (for example, as an individual civilian employee and as a Family member of another DOD employee (military, civilian, or contractor) or a military retiree). If, however, the person is a “Family member hire” civilian employee (as determined by the servicing civilian personnel advisory center or civilian personnel office), only a CAC CIV (without benefits) will be issued because the ID card that was issued based on the status as a Family member provides the authorization for benefits.

2-9. ID-CARD LOSS OR THEFT AND TURN-IN PROCEDURES

a. Lost or stolen ID cards must be reported and replaced as quickly as possible. All personnel must immediately report the loss or theft of their ID card to the nearest military police (MP) station or provost marshal office. The MP will ensure that the ID card is invalidated in the Installation Access Control System (IACS) and will issue a memorandum verifying that an official report of the loss or theft has been made. This memorandum must be given to the ID card issuing office before the card is replaced. Additional administrative measures that delay the reporting and replacement of a lost or stolen card (for example, requiring a commander’s authorization or a supervisor’s signature) are not appropriate and may not be implemented at any level.

b. When their overseas employment ends, all civilian employees will give the ID cards of their dependent Family members to their supervisor, unless the Family members remain in Germany after the civilian sponsor’s departure under the provisions of rules 1, 3, 4, 5, or 11, table 7, of this regulation. The civilian employee can travel back to CONUS with his or her ID card and have it replaced after arriving at the CONUS duty station. All civilian employees will also turn in their dependent Family members’ ID cards whenever the employee and dependent Family members establish separate residences. The employing organization will establish procedures to ensure ID cards are subsequently turned in to the nearest ID-card issuing authority within 72 hours after receipt from the employee.

c. All contractor employees will return their ID cards and the ID cards of their dependent Family members to their contracting officer’s representative (COR) when their overseas employment ends. All contractor employees will also turn in the ID cards of their dependent Family members whenever the employee and dependent Family members establish separate residences. The COR will subsequently turn in ID cards to the nearest ID-card issuing authority within 72 hours after receiving them from the contractor.

d. When the immediate supervisor or COR has reason to believe that an employee has abandoned his or her position, the supervisor or COR will inform the local installation access control office so that the employee’s ID card can be invalidated in the Defense Enrollment Eligibility Reporting System (DEERS) and IACS. If it is later determined that the employee did not abandon employment, the sponsoring agency will request that an ID card be reissued.

e. Sponsoring agencies are not authorized to destroy collected ID cards. All ID cards must be turned in to the nearest ID-card issuing authority for proper disposition.

2-10. GROMMETS ON ID CARDS
Grommets are not authorized on ID cards.
2-11. ID-CARD CHECKS BY GARRISON COMMANDERS
In addition to routine identification and entitlement checks made by facility managers and employees, garrison commanders will direct unannounced ID-card checks at privilege facilities (including food courts and MWR facilities) at least once every 6 months. The purpose of these checks is to confiscate expired or altered cards and cards possessed by unauthorized persons. Persons making the checks will ensure retirees have the appropriate German customs Zulassung before they enter a privilege facility (for example, Exchange facility, commissary) (AE Reg 550-175).

CHAPTER 3
PROCEDURES FOR ISSUING AE FORM 600-700A AND ASSOCIATED APPLICATIONS
(AE FORM 600-700B)

SECTION I
AE FORM 600-700A

3-1. PURPOSE
This chapter provides procedures for requisitioning, issuing, and controlling AE Form 600-700A. AE Form 600-700A will be issued when a person is eligible for any ILS item listed in block 12 of AE Form 600-700B but not for an ID card as prescribed in paragraph 2-7.

3-2. PROCEDURES

a. Verifying officials at the sponsoring agency will—

   (1) Complete two copies of AE Form 600-700B according to section II of this chapter, including the checking of the ILS items in block 12 that the cardholder is authorized to receive according to this regulation.

   (2) Maintain documented evidence of the status of each person requesting support under the appropriate chapter of this regulation.

b. ID-card issuing authorities will—

   (1) Ensure requests for support are verified by a verifying official at the sponsoring agency who has a DD Form 577 or signature-authorization memorandum on file.

   (2) Issue AE Form 600-700A only when supported by two properly completed and verified copies of AE Form 600-700B. AE Form 600-700B is also required to replace an expired, lost, or stolen AE Form 600-700A.

   (3) Review AE Form 600-700B to ensure the indicated ILS is authorized according to this regulation before issuing AE Form 600-700A. The word LIMITED in AE Form 600-700A, block 14, indicates the person is limited to the privileges checked in block 18.

   (4) Issue AE Form 600-700A only as specified in this regulation. Requests for exceptions to policy and questionable cases must be sent to the SOFA/ILS Office. The SOFA/ILS Office will send cases involving customs or tax issues and SOFA-status extensions to the NATO SOFA Office (para 1-9c).
(5) Not issue AE Form 600-700A as an interim measure pending a decision or as an exception to this regulation.

c. AE Form 600-700A may be issued to eligible dependent Family members who are 10 years old and older.

3-3. REQUESTS FOR AE FORM 600-700A REQUIRING APPROVAL BY THE DIRECTOR, IMCOM-EUROPE

For some types of personnel, only the Director, IMCOM-Europe, may approve the request for ILS. The individual chapters in this regulation will provide the information when this is the case.

a. Requests for ILS requiring approval by the Director, IMCOM-Europe, may be initiated by the—

(1) Person concerned.

(2) Supervisor, staff office, headquarters, or organization responsible for the person concerned, or the individual providing assistance to the person concerned.

b. The verifying official will complete AE Form 600-700B, sections I, II, and III (block 12 will not be completed). The application must be sent with a written justification to the SOFA/ILS Office (IMCOM-Europe (IMEU-GBS), Unit 23103, APO AE 09136-3103.

c. If the application is approved, the Director, IMCOM-Europe, will complete block 12 of AE Form 600-700B and the appropriate document authorizing ILS.

3-4. COMPLETING AE FORM 600-700A

ID-card issuing authorities will—

a. Complete AE Form 600-700A according to table 1. AE Form 600-700A, block 15, must indicate country-of-use limitations as specified in the applicable chapter in this regulation that prescribes issuance.

b. Use a new AE Form 600-700A to correct errors in card preparation.

c. Normally attach a photograph on AE Form 600-700A as described in subparagraph d below. ID-card issuing authorities will stamp VALID WITHOUT PHOTOGRAPH on any AE Form 600-700A issued for 30 days or less or for other reasons approved by the SOFA/ILS Office.

d. Photographs must be attached using glue, paste, or other permanent means. Staples will not be used. Forms must be laminated.

e. Data entries will be typed or block printed in ink.

### 3-5. EXPIRATION OF AE FORM 600-700A

a. Unless otherwise specified in this regulation, AE Form 600-700A will expire on the earliest of the following:

1. Three years after the date of issue.
2. The sponsor’s assignment- or tour-completion date.
3. The sponsor’s contract-expiration date.
b. For unmarried children, the expiration date will be the child’s 21st birthday. If a 21- or 22-year-old, unmarried child is enrolled in an accredited institution in a full-time course of study leading to an associate’s degree or higher, or equivalent degree in a recognized foreign educational institution, the child may be issued an AE Form 600-700A that expires on the anticipated graduation date or when the child turns 23, whichever comes first.

3-6. CONTROL OF AE FORM 600-700A

a. AE Form 600-700A is a controlled form and is available from the P&R COE for ID-card issuing authorities through standard accountable-form requisitioning procedures.

b. AE Form 600-700A is an accountable form and will be monitored in the same way as accountable ID cards (for example, CACs, DD Form 2, DD Form 1173). Only the SOFA/ILS Office may approve requests from agencies other than U.S. Army or U.S. Air Force ID-card issuing facilities to issue AE Form 600-700A.

c. ID-card issuing authorities will destroy all turned-in copies of AE Form 600-700A. DA Form 3964 will be completed and signed by the person destroying the AE Form 600-700A. DA Form 3964 requires a witness signature. Copies of DA Form 3964 must be kept for 2 years.

d. Blank copies of AE Form 600-700A must be inventoried each month. These forms must be stored in a safe, a locked file cabinet, or a locked room where access is strictly controlled. Access rosters must be maintained indicating the names of persons who know the safe combination or have keys to the cabinet or room.

e. ID-card issuing authorities will maintain AE Form 600-700C to indicate the disposition of each AE Form 600-700A (including those ruined in preparation). The word VOID will be written in the “Issued to” block on AE Form 600-700C for copies of AE Form 600-700A that were voided. The entry of the word VOID will be supported by the signature and legibly printed name of the issuing authority in the “Issuing official” block on AE Form 600-700C. Cards will be listed in numerical order.

f. AE Form 600-700A may be transferred between ID-card issuing authorities only during an emergency. Agencies must document the transfer.

g. ID-card issuing authorities will inspect copies of AE Form 600-700B and AE Form 600-700C each month. As a minimum, ID-card issuing authorities will screen 25 percent of completed copies of AE Form 600-700B for privileges granted against privileges authorized by this regulation. Army in Europe commanders will review issuing procedures during command inspections or assistance evaluations.

3-7. LOST OR STOLEN AE FORM 600-700A

a. The sponsoring agency will complete AE Form 600-700B to replace a lost or stolen AE Form 600-700A. The loss or theft must be described in section IV of AE Form 600-700B.

b. When there is doubt about entitlements, ID-card issuing authorities will consult with the sponsoring agency. ID-card issuing authorities may disapprove a request for a replacement AE Form 600-700A when there is reason to believe misuse or abuse has occurred. This action will be considered a temporary suspension and processed according to paragraph 1-8.
3-8. DISPOSITION OF RECORDS
ID-card issuing authorities will—

   a. File completed copies of AE Form 600-700B with the applicable AE Form 600-700C.

   b. Cut off AE Forms 600-700C at the end of the calendar year and keep the forms according to applicable records-management directives. (The records should be kept for 1 year after the expiration date of the corresponding privilege and identification card that they pertain to).

   c. Return duplicate copies of completed AE Form 600-700B to the requesting organization for inclusion in the person’s personnel records (optional).

SECTION II
AE FORM 600-700B

Sponsoring agencies (glossary) will complete two copies of AE Form 600-700B, sections I, II, and III, according to table 2.

3-10. ACTIONS BY ID-CARD-ISSUING AUTHORITIES
ID-card issuing authorities will complete AE Form 600-700B according to table 3.

CHAPTER 4
PROCEDURES FOR ISSUING AE FORM 600-700D

4-1. PURPOSE
AE FORM 600-700D may be issued to certain categories of Reserve personnel who are not entitled to the full range of ILS to make purchases at a commissary and Exchange facilities.

4-2. CONTROL

### 4-9. MARKING BLOCKS

CHAPTER 10
ILS FOR MEMBERS OF HOUSEHOLD

10-1. APPLICABILITY
Close relatives who do not qualify as dependent Family member may be eligible for MOH status. The provision of MOH status confers SOFA status and privileges on such designees. Conferring MOH status (and thereby SOFA status) on an individual, however, does not automatically authorize that person to patronize U.S. sales and recreation facilities. The authority to patronize U.S. sales and recreation facilities must first be granted by U.S. law or regulation or DOD or Service component regulations and policies. Thus, it is possible that a person be designated as a MOH and granted SOFA status, but is not eligible to patronize certain U.S. facilities. Individuals who may be designated as MOHs are—

a. The unmarried children, between the ages of 21 and 23, of AD Soldiers, DOD civilian employees, and contractors (chap 9) who do not qualify as dependents under the provisions of DOD Manual 1000.13, volume 2, or are not eligible to be issued a DOD identification card under the provisions of AFI36-3026_IP. Granting MOH status to these persons requires that they—

1. Be financially or for reasons of health dependent on the sponsor (the sponsor must provide more than 50 percent of the individual’s financial support).

2. Live with the sponsor (and the sponsor must intend to have the child live with him or her after he or she departs Germany).

3. Be present in Germany with the consent of the U.S. Forces.

b. Other “close relatives” (but only those relationships listed below and as defined in the glossary) of AD Soldiers, DOD civilian employees, or contractors (chap 9). To be designated as an MOH, a “close relative” must—

1. Be financially or for reasons of health dependent on the sponsor (if financially dependent, the sponsor must provide more than 50 percent of individual’s financial support).

2. Live with the sponsor (the sponsor must intend for the designated MOH to live with him or her after he or she departs Germany).

3. Be present in Germany with the consent of the U.S. Forces.

4. Be a U.S. citizen, lawful permanent resident of the United States, or an EU member country (glossary) citizen or national (but not a citizen or an ordinary resident of Germany).

5. Have one of the following relationships to the sponsor:

   a. Grandchild.

   b. Parent, parent-in-law, or stepparent.

   c. Grandparent.

   d. Sibling or stepsibling.
(e) Nephew or niece.

Requests for exceptions to policy for close relatives not listed in b(5) above must be sent through command channels to the SOFA/ILS Office (IMCOM-Europe (IMEU-GBS), Unit 23103, APO AE 09136-3103) for review.

10-2. EXPIRATION OF MOH STATUS

a. MOH status expires on the sponsor’s DEROS for Soldiers, tour-completion date for CONUS-hire civilians, appointment-expiration date for local-hire civilians, or contract termination date for accredited contractors. The 90-day “grace period” detailed in Article 2 of the SA to the NATO SOFA may be applicable to extend SOFA status for MOHs.

b. With the exception of parents, parents-in-law, stepparents, and grandparents, MOH status for financial reasons will terminate no later than the date when the person designated as an MOH reaches the age of 23. No extensions of this age limit will be granted.

NOTE: The extension and loss of MOH status described in this chapter applies only in Germany.

10-3. IDENTITY DOCUMENTS
ID-card issuing authorities will issue AE Form 600-700A to persons who have approved MOH status.

10-4. PROCEDURES

a. Sponsors will submit a written request for MOH status for children or close relatives (para 10-1) to their USAG commander (for Soldiers and civilian employees), the DOCPER (for contractors accredited by DOCPER according to chap 9, sec I), the IMCOM-Europe Religious Support Office for contract chaplains (chap 9, sec II), the ACES Director for contractors managed by that entity such as educators and education center staff contractors (chap 9, sec III), or the SOFA/ILS Office (for contractors accredited according to chap 9, secs II and III). Requests must include the following:

   (1) A sworn affidavit from the sponsor that includes—

   (a) A statement of the child or close relative’s age, the relationship to the sponsor, and the eligibility category in which the relationship falls.

   (b) A statement certifying that the child or close relative resides with the sponsor and that the relative’s residency is expected to continue after the completion of the sponsor’s tour in Germany.

   (c) A statement that the child or close relative is dependent on the sponsor because of health or financial reasons (if financially dependent, the sponsor must provide more than 50 percent of the close relative’s financial support).

   (2) A birth certificate or other appropriate documentation establishing the child’s or close relative’s relationship to the sponsor (for example, the sponsor’s or spouse’s birth certificate and marriage certificate).

   (3) The sponsor’s and the close relative’s proof of citizenship status.
(4) Documentation to show that the child or close relative is dependent on the sponsor for health reasons or that the sponsor provides more than 50 percent of the relative’s financial support. This should include—

(a) An explanation of how the child or close relative is financially dependent on and supported by the sponsor. Documentation should include copies of the relative’s income tax returns or income statements or other documents that indicate the financial support provided by the sponsor. The documentation must support the statement that the child or close relative is financially dependent on and supported by the sponsor.

(b) A statement from a physician attesting to the child’s or close relative’s poor health, weakness associated with advanced age, or physical or mental disability if the relative is dependent on the sponsor for health reasons.

(5) When applicable, documentation to show that the child or close relative between the ages of 21 and 23 is enrolled full-time in an accredited institution of higher learning.

b. To renew MOH status, the sponsor will submit the request and the following supporting documentation to the USAG commander (for Soldiers and civilian employees), the DOCPER (for contractors accredited by DOCPER according to chap 9, sec I), the IMCOM-Europe Religious Support Office for contract chaplains (chap 9, sec II), the ACES Director for contractors managed by that entity such as educators and education center staff contractors (chap 9, sec III), or the SOFA/ILS Office (for contractors accredited according to chap 9, secs II and III):

(1) A complete copy of the previous MOH-approval packet.

(2) The documentation listed in subparagraphs a(1) through (5) above.

(3) A copy of the approved extension of the sponsor’s tour-completion date (or other appropriate documentation).

NOTE: The expiration date on the new ID card will be as specified in paragraph 10-2.

c. USAG commanders, the DOCPER, the IMCOM-Europe Religious Support Office, the ACES Director, or the SOFA/ILS Office, as prescribed in subparagraphs a and b above will—

(1) Review the request and documentation.

(2) Determine if the child or close relative is eligible for MOH status. USAG commanders, the DOCPER, the IMCOM-Europe Religious Support Office, and the ACES Director must coordinate questionable requests with the SOFA/ILS Office.

(3) Prepare and give to sponsors written approvals or disapprovals in accordance with (a) and (b) below.

(a) As a minimum, approvals will include guidance on when and where to report to obtain the child’s or close relative’s ID card, advice on documentation required by the ID-card issuing agency, and procedures for renewal of the ID card, if the request was for renewal of MOH status.
(b) As a minimum, disapprovals will include the reasons why the child or close relative is not eligible for MOH status. If the request was for renewal of MOH status, the sponsoring agency will also inform the sponsor of the requirement to return the ID card to the sponsoring agency immediately if the relative’s MOH status ends before the ID card expires, and refer the sponsor to host-nation immigration authorities regarding alien-registration requirements.

(4) Prepare and verify AE Form 600-700B for approved requests and file a copy in the sponsor’s official personnel folder. The expiration date must be specified. Support will be as specified in paragraph 10-5.

d. ID-card issuing authorities will—

(1) Review the documentation required to establish the child’s or close relative’s eligibility.

(2) Verify AE Form 600-700B for an eligible child or close relative and file the form.

(3) Issue AE Form 600-700A to the eligible child or close relative with the appropriate expiration date. The AE Form 600-700A issued must indicate the country-of-use limitations of “GERMANY” in block 15.

**10-5. AUTHORIZED SUPPORT**

a. Individuals with approved MOH status who are either not eligible to receive or who have not been issued an ID card only have SOFA status and the limited entitlements granted as a result of that status. MOH status does not confer military benefits to individuals with that status. Such benefits can only be authorized by applicable U.S. law, DOD or Service component regulations, or by other lawful U.S. authority. MOHs who have not been issued an ID card are generally entitled only to the following limited ILS:

(1) MWR services (the garrison commander may curtail these services when facilities are limited).

(2) Purchase and use of VAT Forms (*Abwicklungsschein*).

(3) Limited use of the MPS.

(4) Use of U.S. Forces Certificate of License and use of the USAREUR vehicle registration and listing system.

(5) Use of DOD contracted military banking or credit union system.

(6) DODDS services (if of an eligible age) on a space-available and tuition-payable basis.

b. Individuals with approved MOH status who also have been recognized as a dependent under the provisions of DOD Manual 1000.13, volume 2, and provided an ID card under the provisions of AFI36-3026_IP are generally entitled to receive the same ILS as their sponsors, except for—

(1) Legal assistance (AR 27-3).
(2) Medical and dental services (AR 40-3). Individuals with approved MOH status who are not otherwise entitled to receive medical and dental care may receive medical and dental care as an exception to policy on a fully reimbursable basis. Family members designated as MOH may submit requests for exception to policy to the United States Army Regional Health Command-Europe (MCEU-PAD), Unit 29421, APO AE 09136-9421. These requests must include a complete copy of the approved request to establish or renew MOH status. AD Soldier sponsors of grandchildren who are born overseas to unwed dependent daughters may apply to the local military medical treatment facility for Secretarial-designee status (AFI36-3026_IP, para 4.13.3). Approval of this status entitles those designated grandchildren to medical care at the local military medical treatment facility. This designation does not create an entitlement to civilian care at Government expense, an ID card, or DEERS enrollment.

c. Sponsors are not authorized additional living space or housing allowance for approved MOHs.

d. MOHs of military and DOD civilian employees are authorized space-available travel when the sponsor departs Germany for a PCS.

e. DODDS eligibility for MOHs must be determined by DODDS-Europe before enrollment (sponsor must contact the local DODDS office for assistance).

13-3. APPLICABILITY
This section applies to Family members who remain in Germany longer than 90 days after their sponsor departs Germany on a routine PCS.

13-4. IDENTITY DOCUMENTS
ID-card issuing authorities will issue DD Form 1173 to the persons specified in paragraph 13-3.

13-5. PROCEDURES
When AD sponsors outprocess before departing Germany on PCS orders and they have Family members who plan to remain in Germany, sponsors will provide a copy of their PCS orders and their Family members’ local addresses and telephone numbers to the nearest USACA-E customer-service office (table 6). Immediately after arriving at their new duty station, sponsors will send a properly prepared and verified DD Form 1172 to Family members if the Family members will stay in Germany more than 90 days after the sponsor reports to the new duty station. Sponsors must request an exception to policy for their Family members to remain in Government housing after their departure on a PCS. Requests to remain in Government housing for fewer than 90 days are determined by the garrison commander. Requests for 90 or more days must be sent through the garrison commander to the Housing Management Office, Office of the Assistant Chief of Staff, G4, HQ IMCOM-Europe (IMCOM-Europe (IMEU-PWD-H, Unit 23103, APO AE 09136-3103).
