COMMANDER, U.S. FORCES KOREA
COMMANDING GENERAL, U.S. ARMY MATERIEL COMMAND

SUBJECT: Audit of Distribution of Critical Munitions in Support of the Republic of Korea
(Project No. D2018-D000RG-0104.000)

We plan to begin the subject audit in February 2018. Our objective is to determine whether the U.S. Pacific Command and U.S. Forces Korea have a distribution network to receive, and deliver critical munitions in support of operation plan requirements. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at U.S. Pacific Command, and U.S. Forces Korea locations in Hawaii, and the Republic of Korea, and other locations identified during the audit.

Please provide us with a point of contact for the audit within **5 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to cmp@dodig.mil.
