We plan to begin the subject audit in December 2017. Our objective is to determine whether the Military Sealift Command ensured that prepositioning ships received required maintenance. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at Military Sealift Command Headquarters at Naval Station Norfolk in Norfolk, Virginia, and at a Military Sealift Command Ship Support Unit. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **5 days** of the date of this memorandum.
