SUBJECT: Evaluation of the Department of Defense and DoD Education Activity Response to Incidents of Serious Student Misconduct on Military Installations (Project No. 2018C011)

In response to requirements in the Senate Armed Services Committee report to accompany the Fiscal Year 2019 National Defense Authorization Act, the DoD Office of Inspector General will evaluate whether the DoD and DoD Education Activity (DoDEA) have adequate policies and procedures to respond to incidents of serious student misconduct including sexual assault and sexual harassment.

We will also evaluate the Department and DoDEA's referrals to DoD law enforcement organizations, as well as referrals to military and civilian child advocacy and health services.

This evaluation will include, but is not limited to, site visits, interviews, documentation, and data base reviews pertaining to serious student misconduct on military installations.
