

**DEPARTMENT OF THE AIR FORCE**

HEADQUARTERS 19TH AIRLIFT WING (AMC)  
LITTLE ROCK AIR FORCE BASE, ARKANSAS

11 June 2018

MEMORANDUM FOR RESIDENTIAL/COMMERCIAL CONSUMER

FROM: 19 MDG/CC

SUBJECT: Little Rock AFB 2017 Annual Drinking Water Quality Report

1. The attached Annual Drinking Water Quality Report produced by the Arkansas Department of Health is provided to inform you of the installation water quality as well as the services delivered. Jacksonville Water Works and Central Arkansas Water, along with the installation Bioenvironmental Engineering Flight, routinely monitor your drinking water in accordance with federal and state laws. All monitoring results reported are within regulatory limits. Your water is safe for consumption. Our goal is to deliver safe, potable drinking water.

2. If you have any questions about this report or concerning your water report, please contact Lt Col Aaron Weaver, Bioenvironmental Engineering Flight Commander, at 501-987- 7398.

  
DAWN B. BROOKS, Colonel, USAF, NC  
Commander, 19th Medical Group
