AE Form 600-702C, Oct 08 Filler Mask (Updated: 2009-03-24)

! Do not download this document, use online version only !

Filling Form

Fill out AE Form 600-702C completely (page 1 and 2).

Printing

Use the following settings when printing the form.

- a. Paper Source. Select "Manual Feed".
- b. Print Range. Select "Current Page".
- c. Page Scaling. Set to "None".
- d. Print page 1.
- e. Flip over AE Form 600-702C manually.
- f. Repeat steps a through c to print page 2.

Do NOT select "Print on both sides".

Form Fields

For help with form fields, move mouse over a field.

Notes:

1. Since this is a "one-fits-all" mask, first-time users should do a test print by printing a filled-out mask on a blank sheet of paper and lay it over AE Form 600-702C to see if the field entries of the printout fit within the field areas of AE Form 600-702C.

2. In case of problems with this mask, contact the Army in Europe Forms Manager at Military: 544-1540.
