2. REFERENCES

[Appendix A](#) lists references.

3. EXPLANATION OF ABBREVIATIONS AND TERMS

The [glossary](#) defines abbreviations and terms.

4. RESPONSIBILITIES

a. Assistant Secretary of the Army (Manpower and Reserve Affairs) (ASA M&RA). The ASA M&RA is the approval authority for recommendations to—

(1) Deny or revoke command sponsorship for reasons not listed in DOD Instruction 1315.18, Enclosure 5.

(2) Order the early return of dependents (ERD) ([glossary](#)), if the ERD will result in sending a Family member to a location outside the United States or its territories.

b. The Family Travel Section (FTS), Military Personnel Branch, Office of the Assistant Chief of Staff, G1, HQ IMCOM-Europe. The FTS will review all requests for student travel allowances, all requests for conditional command sponsorship, all request involving Exceptional Family Member Program (EFMP) clearance, and any other request with unusual circumstances. Except when [subparagraph a](#) above applies, the FTS will make the final decision regarding requests for command sponsorship.

c. United States Army Garrison (USAG) Commanders. USAG commanders will—

(1) Perform the functions in AR 55-46, paragraph 1-7b.

(2) Be the final approving authorities for requests for command sponsorship that do not require an exception to policy and do not require EFMP clearance. The USAG commander may delegate approval authority to the chief of the USAG military personnel division (MPD). Further delegation of authority to approve command sponsorship is not authorized.

(3) Verify that the Soldier meets the command sponsorship requirements ([para 5a](#)) before approving command sponsorship.

(4) Verify that the Soldier meets the 36-month accompanied tour requirement ([para 5a\(2\)](#)) before approving a request for a change of tour from unaccompanied to accompanied status.

d. USAG Housing Offices. USAG housing offices will update the online Housing Projections Module in the United States Army Europe Personnel Database (UPDB) at least every 30 days and when changes in housing-availability projections occur.

e. Units Commanders. Unit commanders must ensure Soldiers meet command-sponsorship requirements ([para 5a](#)) before endorsing change-of-tour requests. If necessary and the Soldier is eligible, unit commanders may need to approve an extension or reenlistment to enable the Soldier to meet command-sponsorship requirements.

f. Soldiers. Soldiers must request command sponsorship in accordance with [paragraph 6](#)—

(1) As part of their OCONUS permanent change of station (PCS) assignment process for any Family members who intend to arrive before, with, or after the Soldier arrives in Europe. This is routinely a part of the orders-generation process.

(2) When they wish to change their Family member residence to the OCONUS assignment location or when they acquire Family members who will reside with them at the OCONUS location.

5. COMMAND SPONSORSHIP AND SERVICE REQUIREMENTS

For a Soldier to be eligible for transportation allowances for moving Family members to an OCONUS location and some housing allowances at an OCONUS location, the Family members must be command sponsored, which may also require the Soldier to meet certain service requirements.

a. To be eligible for USAG commander approval of command sponsorship, the Soldier must—

(1) Be present for duty in the command and accompanied by Family members on the requested effective date.

(2) Be serving a 36-month accompanied tour. Soldiers unwilling or unable to serve a 36-month tour will not be authorized command sponsorship. This requirement will not be waived.

(a) If necessary, Soldiers must reenlist or extend their enlistment to meet tour-length requirements for a change-of-tour approval.

(b) USAG commanders may approve a request to change a tour from unaccompanied to accompanied if the Soldier can serve a 36-month tour.

(3) Have at least 12 months remaining “time-on-station” for his or her overseas tour after the arrival of the Family members or approval of command sponsorship, whichever is later. Soldiers with less than 12 months remaining on a 36-month tour must extend their tour to meet this requirement. The 12-month time on station requirement will not be waived.

(4) Have Family members screened by the USAG for EFMP enrollment. If a Family member is enrolled or should be enrolled in the EFMP, the USAG commander must follow the procedures in [subparagraph b](#) below.

b. If the Soldier has a Family member who is enrolled in EFMP, the USAG commander will send the request for command sponsorship, with any recommendations, to the FTS for IMCOM-Europe decision.

(1) The USAG must upload the Command Sponsorship Application request and all applicable dental, educational, and medical documentation to UPDB, or must submit the request and all supporting documentation by email to the FTS (*usarmy.sembach.id-europe.mbx.g1-family-travel@mail.mil*).

(2) IMCOM-Europe will approve or disapprove the request based on the determinations by dental, educational, and medical authorities, as applicable, and the commanders' recommendations from the unit of assignment and the USAG.

c. Requests to change a tour from unaccompanied to accompanied in the European theater must be sent to the appropriate Army Service component command (ASCC), Army Command, or direct reporting unit (DRU) for processing.

d. When the approving authority grants command sponsorship, the latest of the following dates will be the effective start date of the command sponsorship:

- (1) The date the Soldier requested command sponsorship.
- (2) The date Family members arrived in the command.
- (3) The date the Soldier extended to meet tour requirements.
- (4) The date the tour status changed.

e. Children born to command-sponsored spouses are command-sponsored at birth. Soldiers do not need to send DA Form 4187 or DA Form 5888 to request command sponsorship for these children. Soldiers must, however, provide supporting documentation (for example, birth certificate, proof of command sponsorship of the spouse) to the USAG MPD.

f. Soldiers may use a copy of PCS orders that list spouse and Family member data or the overseas Family travel message authorizing Family members to travel to the overseas command as proof of command sponsorship.

g. Soldiers in certain circumstances may also request conditional command sponsorship ([para 6c](#)) as an interim status before final command sponsorship processing. Conditional command sponsorship will allow the Soldier to request and receive only housing allowances through the housing office. No other allowances are authorized under conditional command sponsorship.

6. REQUESTING COMMAND SPONSORSHIP

To request command sponsorship after the Soldier has arrived at the OCONUS unit, Soldiers will send a request (DA Form 4187) and the items listed on AE Form 55-46B through their unit personnel section and the servicing USAG MPD to the USAG commander.

a. The DA Form 4187 (fig 1) must include the following information:

(1) The date of the request (block 10).

(2) The names, relationships to the sponsor, dates of birth, and citizenship information of the Family members.

(3) The reason for the request (for example, adoption, marriage).

(4) The date the Soldier arrived overseas, his or her current date eligible for return from overseas (DEROS), and the current expiration-term-of-service date.

(5) The physical address where the Family members currently reside and the date the Family members arrived in the command, if applicable.

(6) Whether or not the Soldier is on assignment instructions.

(7) The reason why an exception to policy is required, if applicable.

b. Exceptions to policy are processed as follows:

(1) Soldiers who are ineligible to extend their service or overseas tour to meet the 12-month time-on-station requirement (para 5a(3)) must request an exception to policy. The request must state why the Soldier is ineligible to extend to meet the 12-month time-on-station requirement.

(2) To be eligible for command sponsorship, Soldiers with Family members who are enrolled in the EFMP must be stationed at a location where required dental, educational, and medical services are available. There are no exceptions to this. Servicemembers must use the medical redress system through the reconsideration process in accordance with U.S. Army Regional Health Command Europe Policy Letter 28. Personnel may request a copy of this policy from the FTS by sending a request to *usarmy.sembach.id-europe.mbx.g1-family-travel@mail.mil*.

(3) For command sponsorship requests that require an exception to the policy in DODI 1315.18, enclosure 5, the servicing USAG MPD will send the request through the USAG commander for a recommendation to the FTS at *usarmy.sembach.id-europe.mbx.g1-family-travel@mail.mil* for review, concurrence, and forwarding to the ASA M&RA for decision.

c. Soldiers will send all requests for conditional command sponsorship, including requests requiring EFMP clearance, through the servicing USAG MPD to the USAG commander for a recommendation.

(1) The USAG will send the request to the FTS for review and decision.

(2) After their conditional command-sponsoring is approved, the MPD will enter the data in the Deferred Family Travel Website (DFTWEB) for the housing office to assign quarters. The MPD will convert the conditional command sponsorship to final command sponsorship by releasing a command sponsorship approval message to the sponsor.

7. FAMILY MEMBERS WHO ENTER THE COMMAND WITHOUT PRIOR APPROVAL

a. Family members who arrive in the European theater without official orders or travel authorization are not command-sponsored and therefore not authorized transportation allowances.

b. USAG commanders may recognize Family members as command-sponsored without requiring a request or additional documentation only if the Family members arrive in Europe with official orders or travel authorization.

c. If Family members arrive overseas without prior approval, the appropriate USAG commander may approve a command-sponsorship request as long as the Soldier meets the criteria in [paragraph 5a](#) and does not require an exception to policy.

NOTE: [Paragraph 8c](#) provides information about command sponsorship for dual-military couples who acquire a Family member when they do not already have command-sponsored Family members. [Paragraph 8f](#) provides information about command sponsorship for single Soldiers who become pregnant.

d. Family members who were placed in the sole or primary physical custody of the Soldier by a court order may be command-sponsored if they meet the definition of “dependent” in the Joint Travel Regulations (JTR), appendix A. In these cases, the following applies:

(1) A court of competent jurisdiction in the United States, Puerto Rico, or a possession of the United States must have issued the court order. The Soldier must be granted custody of the Family member for a period of at least 12 months.

(2) Custody granted for less than 12 months or the granting of seasonal custody (for example, summer-school breaks, joint-custody visitation) will not qualify the Family member for command sponsorship.

(3) Soldiers should be encouraged to pursue custody status that will not change before the Soldier’s anticipated DEROS.

NOTE: An affidavit, power of attorney, or other document prepared by a military legal office or notary public is not acceptable for determining eligibility for command sponsorship or travel allowances.

e. Family members of Soldiers who requested command sponsorship and who receive space-available travel authorization from the overseas command are considered command-sponsored on the date the Family members arrive overseas. For Family members to qualify for space-available travel and command sponsorship, the Soldier must meet the eligibility criteria in [paragraph 5a](#).

f. Close relatives ([para 9](#)) who are not eligible to be command-sponsored may be eligible for member-of-household status. [AE Regulation 600-700](#) provides information about member-of-household restrictions, allowances, and application procedures.

8. SOLDIERS WHO ACQUIRE FAMILY MEMBERS AFTER BEING ASSIGNED TO A LOCATION IN EUROPE

Soldiers may acquire new Family members for a variety of reasons. Soldiers may also have legitimate reasons for requesting the status of non-command-sponsored Family members be changed to command-sponsored Family members. This paragraph prescribes the policy and procedures for requesting command sponsorship for Soldiers who acquire Family members after being assigned to a location in Europe and for requesting a change of status of non-command-sponsored Family members under select circumstances ([d](#) and [g](#) below).

a. Birth.

(1) Children born by a command-sponsored spouse are command-sponsored at birth ([para 5e](#)).

(2) For children born by a non-command-sponsored individual, the Soldier must meet the tour requirements in [paragraph 5a](#) and, if applicable, the custody requirements in [paragraph 13](#) before they may apply for command sponsorship.

b. Adoption. Soldiers may apply for command sponsorship of Family members they adopt while stationed in Europe. Soldiers must meet tour requirements ([para 5a\(2\)](#)), but the requirement to have 12 months remaining in the overseas command after the date of adoption does not apply.

c. Dual-Military Couples. Dual-military couples who acquire a Family member and who do not already have command-sponsored Family members must apply for command sponsorship. Unit commanders will advise Soldiers to reenlist or extend their overseas tour if needed to meet the tour-length requirement for command sponsorship.

(1) After the Family member is born, adopted, or otherwise acquired, the effective date of command sponsorship will be either of the following:

(a) For Family members who are adopted or otherwise acquired, the date the Soldier requests command sponsorship and meets the tour-length requirement.

(b) For newborn Family members, the date of birth (retroactively applied if the Soldier does not submit the request or meet the tour-length requirement until after the date of birth ([\(2\) below](#))).

(2) Dual-military Soldiers who do not meet the tour-length requirement on the date of birth, adoption, or other action that results in acquiring a Family member must wait to request command sponsorship until the Soldier meets the tour-length requirement.

d. Separation From Service of One Half of a Dual-Military Couple. When a dual-military couple is stationed overseas and one Soldier separates from the Service at the overseas location, the Soldier remaining on active duty must request command sponsorship for the separating Soldier (that is, as an acquired Family member).

(1) If other Family members were command-sponsored by the separating spouse, the Soldier remaining on active duty must request command sponsorship for these Family members as well.

(2) The Soldier remaining on active duty must meet tour-length requirements and be approved through the EFMP screening process, if applicable, to qualify for command sponsorship.

e. Marriage to Foreign Nationals. A Soldier who marries a local or third-country national ([glossary](#)) may request command sponsorship, providing the Soldier meets tour requirements. The Soldier must have at least 12 months remaining on his or her overseas tour as of the date that the Family member arrives or the effective date of command sponsorship approval, whichever is later (the 12-month time-on-station requirement is nonwaiverable).

f. Single-Soldier Pregnancy. Single Soldiers who are without Family members and become pregnant while serving on an overseas tour, or single Soldiers who are pregnant on arrival at an overseas command, must serve a 36-month tour to be eligible for command sponsorship of their newly acquired Family member or members. Pregnant Soldiers on orders to overseas commands require a 36-month tour before moving overseas.

(1) Pregnant Soldiers who do not extend their overseas tour to meet the 36-month tour requirement will not be authorized command sponsorship. The 36-month requirement will not be waived. Commanders should brief Soldiers who decline to meet the tour-length requirement about the financial burden of having non-command-sponsored Family members in the command.

(2) To be issued quarters before their child is born, pregnant Soldiers who meet the tour-length requirement must request conditional command sponsorship ([para 6c](#)). Conditional command sponsorship will be converted to full command sponsorship on the child's date of birth. Soldiers should send requests for conditional command sponsorship through the USAG MPD to the FTS.

(3) Commanders will brief pregnant Soldiers on their responsibilities to ensure all allowances are received for the newly acquired Family member.

g. Bringing Back Early Returned Family Members. Soldiers who want to bring Family members back to Europe who were previously the subject of an early-return-of-Family members action ([para 15](#)) must request and receive approval for conditional command sponsorship ([para 6c](#)) before Family members may move back unless the member enters an in-place consecutive overseas tour (JTR, par. 050810).

(1) The move of the Family member back to Europe will be at the Soldier's personal expense. The Soldier is not authorized to use Government-funded allowances to pay for the transportation of the Family member, the household goods (HHG) associated with the move, or the Family member's unaccompanied baggage.

(2) The Soldier must request command sponsorship as soon as the Family member returns to Europe ([paras 6c](#) and [15g](#)), or notify the USAG MPD that their Family members have arrived. The MPD will then initiate and complete a command sponsorship approval message for the Sponsor.

h. Transportation Allowances.

NOTE: Soldiers with non-European Union Family members must have approved command sponsorship before relocating their Family members to Italy.

(1) USAG commanders will advise Soldiers who acquire Family members from CONUS after the Soldier's PCS effective date that their new Family members are authorized travel only on a space-available, nonreimbursable basis. Government-reimbursed shipment of HHG and unaccompanied baggage for newly acquired Family members is prohibited. This does not apply to the travel of children born to a spouse of a Soldier after the PCS effective date if the spouse was a dependent on the effective date of the PCS and she has deferred travel orders, or if her travel was delayed because of the pregnancy.

(2) Soldiers who acquire Family members after a PCS should request conditional command sponsorship ([para 6c](#)) before moving the Family members to the overseas command. After the conditional command-sponsoring is approved, the MPD will enter the data in DFTWEB for the housing office to assign quarters. The MPD will convert the conditional command sponsorship to final command sponsorship by releasing a command sponsorship approval message to the sponsor.

(a) Conditional command sponsorship will allow the Soldier to request and receive only housing allowances through the housing office. No other allowances are authorized under conditional command sponsorship.

(b) After the Soldier acquires housing, the USAG housing office will release a travel message in the Deferred Family Travel Website (DFTWEB) for the Family travel office to authorize movement of the Family members from CONUS.

(c) The movement of any HHG or unaccompanied baggage for Family members to the overseas command will be at the Soldier's personal expense.

(3) If Family members travel to the overseas command at personal expense, the Soldier may request command sponsorship when they arrive, if eligible.

9. CLOSE-BLOOD AND AFFINITIVE RELATIVES

Space-required travel, early return, escort authorization, other transportation allowances, and command sponsorship are not authorized for close-blood and affinitive relatives who do not have dependent status according to applicable regulations. Exceptions for space-required travel may be authorized only if the Family member meets the requirements of [paragraph 15c](#).

10. TRAVEL OF ACQUIRED FAMILY MEMBERS

Family members acquired after the effective date of the PCS orders are authorized space-available travel if they receive command-sponsorship approval. Soldiers are not authorized shipment of additional privately owned vehicles, HHG, or unaccompanied baggage on the basis of acquired Family members.

11. NONCONCURRENT FAMILY MEMBER TRAVEL

To process nonconcurrent travel for Family members (Family member travel from a designated place or permanent duty station within 140 days after the sponsor arrives in the overseas area), the Soldier, the MPD, and the USAG Family housing office must take the following actions:

a. Soldier. After the Soldier receives command sponsorship approval, the Soldier will send the request for nonconcurrent travel through the unit personnel section to the USAG MPD, which will coordinate Family travel through the Family housing office of the applicable CONUS installation.

b. MPD.

(1) The MPD will—

(a) Enter all applicable Family information about the Soldier into DFTWEB.

(b) Process any escort authorization requests. To qualify as an escort, the Soldier must be a sole parent or part of a dual-military couple and must have requested and been denied concurrent travel to the overseas unit. Family members must be under 12 years old to be eligible for an escort. [Paragraph 17d](#) provides more information about processing requests for escort authorization.

(2) If a sole-parent Soldier on an initial enlistment regains custody after enlistment, the applicable USAG will verify that the Soldier who is requesting Family-member travel did not violate AR 601-210, paragraph 2-10.

(3) If Families include members enrolled in the EFMP, the MPD will not process the request for movement to Europe until the United States Army Regional Health Command Europe, the Department of Defense Dependents Schools (DODDS), or both grant clearance and the FTS approves the request. The FTS must verify all requests for travel and transportation involving EFMP members.

c. Family Housing Office. After the Soldier accepts quarters and sets a move-in date, the Family housing office will enter the housing data in DFTWEB and send a message to the CONUS installation authorizing Family travel.

(1) The effective date of travel will not be before the move-in date.

(2) Soldiers should direct inquiries about the status of nonconcurrent-travel messages to the local Family housing office responsible for the region where the Family members reside. The FTS does not process or receive nonconcurrent-travel messages.

NOTE: CONUS installations are responsible for coordinating nonconcurrent travel of Family members who reside in CONUS. Soldiers will not be referred to the OCONUS local community travel office to coordinate CONUS-residing Family-member travel.

12. EARLY ARRIVAL OF FAMILY MEMBERS

The early arrival of Family members overseas (that is, arrival before the sponsoring Soldier) requires approval by the FTS before the Family members may move at Government expense.

a. Soldiers who move Family members overseas without approval will not be authorized reimbursement for Family-member travel expenses.

b. The approval of an early arrival authorizes the Family members to use Government-funded travel. Command sponsorship, however, is not effective until the sponsor arrives at the overseas command.

13. CUSTODY REQUIREMENTS FOR COMMAND SPONSORSHIP AND TRANSPORTATION ENTITLEMENTS

a. Situations Involving Custody or Guardianship. Soldiers or the spouse must have legal custody of their dependent Family members to be eligible for command sponsorship and Government-funded transportation. Family members must qualify as dependents according to the definition in the JTR, appendix A. Normally, a court of competent jurisdiction in the United States, Puerto Rico, or a possession of the United States must have issued an order placing the Family member in the custody of the Soldier or the Soldier's command-sponsored spouse for a period of at least 12 continuous months for the Family member to qualify as a dependent.

b. Joint Custody. Soldiers with joint custody who also have primary physical custody of the Family member may be authorized command sponsorship and transportation allowances. The Soldier may bring these Family members to the overseas command only when the Soldier provides more than one half of the support of the Family member and when the Family member will reside with the Soldier.

c. Parents as Dependents. Command sponsorship and space-required travel may be authorized for a Soldier's or a spouse's parent, stepparent, adoptive parent, or other person (including a former stepparent) who has served *in loco parentis* for the Soldier for a continuous period of at least 5 years at any time before the Soldier became 21 years old.

(1) To be eligible for command sponsorship and transportation allowances, the parent or other person must reside with the Soldier and depend on the Soldier for more than one half of his or her support. Dependency determination from the Defense Finance and Accounting Service (DFAS) is the only acceptable proof.

(2) To qualify for space-required travel, DFAS must have approved a dependency determination before the effective date of the PCS orders. If a dependency determination is approved after the effective date of the PCS orders, only space-available travel is authorized.

d. Foreign Adoptions. The following policy and procedures apply to command sponsorship for foreign adoptions:

(1) If the Soldier is a U.S. citizen, the Soldier must send documentation from the consulate proving that the adopted child was processed for immigration to the United States.

(2) If the Soldier is not a U.S. citizen and the child is less than 1 year old, the Soldier must send the adoption certificate from the child's native country (that is, from where the child was adopted).

(3) All cases besides those in (1) and (2) above require a U.S. court order as stated in the JTR.

(4) The Soldier is responsible for ensuring that non-U.S. Family members meet all host-nation immigration-entrance requirements.

(5) The Soldier must ensure that foreign Family members who were adopted while the Soldier was stationed in Europe meet U.S. immigration requirements before the Soldier's PCS with the Family members to the United States.

e. Situations Involving Foreign-Nation Determined Custody. The following rules apply when a foreign nation issues the custody determination:

(1) When the birth certificate lists the Soldier or the Soldier's current spouse, a court order from the child's native country is required to determine custody.

(2) When the birth certificate does not list the Soldier or the Soldier's current spouse, a U.S. court order is required to determine custody.

(3) The Soldier must ensure that non-U.S. Family members meet host-nation immigration-entrance requirements.

(4) The Soldier must ensure that foreign-national Family members meet U.S. immigration requirements before the Soldier's PCS with the Family members to the United States.

14. ADVANCE RETURN OF FAMILY MEMBERS

Soldiers may request advance return of Family members ([glossary](#)) any time after receiving PCS orders. Family members may be authorized travel and transportation allowances from the current permanent duty station (PDS) to the new PDS.

15. EARLY RETURN OF DEPENDENTS

a. The Army may direct or approve an early return of dependents (ERD) ([glossary](#)) in the following situations:

(1) Official situations (for example, the Family member was involved in a situation that is embarrassing to the U.S. Government or is prejudicial to the command's order, morale, and discipline; the Family member's safety can no longer be guaranteed) or to support U.S. national interests.

(2) The Soldier or Family member has requested an early-return authorization because of a personal situation.

(3) The Soldier receives assignment instructions from the PDS OCONUS.

b. The USAG commander who is a colonel or colonel-equivalent is normally the approving authority for ERD actions returning Family members to CONUS under the provisions of the JTR, chapter 5. Deputy garrison managers will send command-initiated ERD actions to the next higher command for decision. The USAG commander—

(1) May stipulate travel requirements on the orders for the ERD action, for example, "Family members must travel by [date]. After this date, command sponsorship will be revoked, U.S. Government no-fee passports must be surrendered, and action may be taken to bar entrance of Family members to Government installations."

(2) Has the authority to revoke the command sponsorship of Family members who refuse to depart the command after a command-directed ERD order has been issued because of official situations or to support U.S. national interests.

(3) [Appendix B](#) provides the procedures for processing an ERD packet, and samples of the required documents ([figs B-1 thru B-3](#)).

c. The ASA M&RA is the approval authority for ERD actions returning Family members to a country outside the United States and its territories. To process these requests, the Soldier will—

(1) Obtain the USAG commander's endorsement.

(2) Send the request through the USAG MPD (with the USAG commander's endorsement attached) to the FTS at email: *usarmy.sembach.id-europe.mbx.g1-family-travel@mail.mil*.

d. Before approving or endorsing a Soldier-requested ERD action because of a Soldier's personal situation, the USAG commander must determine that the Family's problems cannot be solved in the overseas command. The use of available resources, both on and off post, must be exhausted before the USAG commander approves or endorses the request. The approving USAG commander must—

(1) Carefully evaluate each case and determine whether the early return of the Family members is in the best interest of the Government, the Soldier, and the Family.

(2) Consider recommendations from chaplains, mental-health agencies, financial-management counselors, medical and educational specialists, or other applicable specialists or agencies.

(3) Receive a completed AE Form 55-46A from the Soldier who is making the request.

e. If a Soldier requests an ERD action because of a personal situation and will face financial hardship as a result of the early-return travel, the Soldier's commander will ensure that the appropriate resources are provided to help the Soldier and his or her Family members. If the Soldier's issues cannot be solved using the appropriate resources, the unit commander will annotate AE Form 55-46A to show the date when the Soldier and his or her Family members were counseled. The AE Form 55-46A will then become part of the Soldier-requested ERD packet that will be sent to the USAG commander.

f. The USAG commander is the approval authority for Soldier-requested ERD actions (for personal situations). This authority may not be delegated. If doubt exists as to whether eligibility criteria have been met or if guidance is needed, the USAG commander may send the application with appropriate recommendations and comments to the FTS.

g. Early-return authorization will not be used in place of a Soldier's Family care plan during TDY or deployment. Family-member travel to the care-provider's location will be at the Soldier's personal expense.

h. Soldiers who receive early-return orders must process through the local official travel office for Family-member travel and transportation.

(1) Soldiers who return Family members to CONUS at personal expense before early-return orders are issued will normally not be reimbursed for travel.

(2) After-the-fact requests for reimbursement of early-return travel and transportation expenses must meet the requirements of JTR, paragraph 050804, to be approved. The USAG commander is the approving authority for after-the-fact requests for reimbursement.

(3) The USAG commander may stipulate travel requirements on the orders for ERD actions. For example, “Family members must travel by [date]. After this date, the orders are void. The office issuing these orders must be notified by the Soldier if Family members do not travel.”

(4) The following statement should be added to the Soldier’s PCS orders if the Soldier returned Family members early under the JTR, chapter 5: “Travel of dependents and shipment of household goods are authorized from [enter the location to where the Family members were last shipped at Government expense] to [enter the new PDS] in accordance with paragraph 050804 of the Joint Travel Regulations.”

(5) For the early return of dependents that are DOD Civilian employees, a letter from the servicing Civilian Personnel Advisory Center stating that those dependents do not receive any transportation allowances is required, before the ERD can be approved.

i. Soldiers who bring Family members back to Europe at personal expense after the Family members returned early to CONUS must request command sponsorship when the Family members return to Europe. In these situations, the Soldier must—

(1) Send the command-sponsorship request and recommendations from the Soldier’s chain of command to the USAG commander for consideration. The USAG commander may approve or disapprove the command-sponsorship request or require the Soldier to resubmit the request after a specific length of time.

(2) Serve 24 months after command sponsorship is approved. This requirement will not be waived.

j. Soldiers granted an ERD are authorized to move the Family members and HHG from the location in the United States where the Family members will reside as a result of the ERD to the Soldier’s new PDS at Government expense after the Soldier leaves the overseas command.

16. OVERSEAS SEPARATION FROM SERVICE OF ONE HALF OF A DUAL-MILITARY COUPLE

a. A separating Soldier who is one half of a dual-military couple is authorized—

(1) Travel from the last PDS to the PDS of the active-duty spouse; limited to transportation from the last PDS to the Home of Record, or to the place from which the Soldier was called to or entered active duty.

(2) The shipment of HHG from the last PDS to the PDS of the active-duty spouse; limited to transportation from the last PDS to the Home of Record, or to the place from which the Soldier was called to or entered active duty.

b. If a former Soldier returns to an overseas command at personal expense, the Soldier’s sponsor must request command sponsorship. Authorization requirements and the command-sponsorship effective date will be according to AR 55-46, paragraph 1-13.

17. ESCORT AUTHORIZATION

a. Early Return Escort Requests. Soldiers must send requests for authorization to escort Family members associated with an early return through the USAG MPD to the FTS on DA Form 4187 with a copy of the early-return orders and all endorsements attached. The DA Form 4187 must include the following information:

(1) A statement that the Soldier is the sole parent or part of a dual-military couple. A sole parent is defined as a parent Soldier who has never been married, is a widow or widower, or is divorced and not remarried. Soldiers who are separated from their spouses are not considered sole parents.

(2) The name, grade, and Social Security number (for dual-military couples) of the parent Soldier serving as an escort.

(3) The name, date of birth, and passport number of each Family member to be escorted.

(4) The address to where the early return of the Family member is authorized.

(5) A statement that the Soldier has legal custody of the Family member.

b. Sole-Parent, OCONUS-PCS Escort Requests. Sole-parent Soldiers are eligible for escort authorization to return to CONUS to accompany minor Family members to Europe, but only if the FTS previously denied the request for concurrent travel of Family members. If any of the following situations also apply, the Soldier must meet the specified requirements in order to be eligible for escort authorization:

(1) If a sole-parent Soldier is on an initial enlistment and the Soldier regained custody of a child born before entering active duty, the Soldier must not be in violation of AR 601-210, paragraph 2-10.

(2) The legal custody of the Family member must be final. Family members must be in the legal custody of the Soldier as a result of an order of a court of competent jurisdiction in the United States, Puerto Rico, or a possession of the United States. Soldiers separated from their spouses are not authorized escort authorization for minor Family members.

c. Dual-Military Couples. One half of a dual-military couple is eligible for escort authorization to return to CONUS to accompany minor Family members to Europe, but only when the FTS previously denied the request for concurrent travel of Family members. In instances involving matters of custody, the Soldier must have been granted legal custody of the Family member in order to be granted authorization to serve as an escort. In addition, the legal custody must be final and based on an order of a court of competent jurisdiction in the United States, Puerto Rico, or a possession of the United States.

d. Requesting Escort Authorization.

(1) Soldiers requesting escort authorization will include the request for this authorization when submitting their request for Family-member travel to the USAG MPD.

(2) The USAG MPD will enter the request for escort authorization in DFTWEB for the FTS to review it, make a final decision, and post a decision in DFTWEB.

e. Soldiers Who Change From Unaccompanied to Accompanied Tours. Soldiers who elect to serve a 24-month unaccompanied tour and who change their tour after arriving in Europe are not eligible for escort authorization. In these cases, the Soldier's travel to CONUS to accompany Family members who are moving to Europe will be at the Soldier's personal expense.

18. STUDENT TRAVEL PROGRAM

Each dependent student of a Soldier assigned to an OCONUS unit is entitled to one Government-funded round trip between the student's school and the PDS or other location (not to exceed the cost to the PDS) each fiscal year (JTR, para 050816; AR 55-46, chap 4). To be eligible, the sponsor must be on active duty and serving a with-dependents OCONUS tour. Eligibility for Student Travel Program (STP) allowances is based on the status of the sponsor and student on the date of travel, not the request date.

a. Children in Custodial Situations. Soldiers are not entitled to STP allowances for their student Family members, if the applicable court awarded custody to anyone other than the Soldier who is assigned to the European theater, or to the command-sponsored spouse of the Soldier who is assigned to the European theater.

b. Spouse Restriction. Spouses may not take part in the STP.

c. Requesting Student Travel. Sponsors will complete AE Form 55-46D and have the S1 of their ASCC (for example, USAREUR), Army command (for example, U.S. Army Materiel Command), or Army direct reporting unit (DRU) (for example, IMCOM) validate that student travel is authorized. The sponsor will then upload the verified AE Form 55-46D together with a college enrollment or acceptance confirmation ((2) below) to the Defense Travel System (DTS). In order to do that, sponsors will contact their respective resource managers to receive instructions on local DTS procedures and on which line of accounting to use.

(1) When submitting the request to the unit S1, the sponsor confirms that—

(a) He or she is accompanied on this tour by command-sponsored Family members (unless all child Family members are college students).

(b) He or she has full custody of the student. When the student is the subject of a court order, the court must have granted the sponsor full custody and control. Students who have reached the age of majority (AR 55-46, chap 4-2c(4)) may be authorized student travel if they meet the definition of dependent in the JTR, appendix A.

(c) The Family member is not married and will be under 23 years old at the time of travel.

(d) The Family member is attending an accredited college in the United States or the Family member is attending a secondary school because the child was not eligible to attend a Department of Defense Education Activity (DODEA) school other than on a 7-day-a-week basis. A copy of the statement of nonavailability from DODEA must accompany STP requests for children attending a secondary school.

(e) The Family member is enrolled as a full-time student (12 semester hours or equivalent).

(f) The Family member has not used the STP allowance for the current FY.

(g) The Family member has not been early-returned to CONUS at Government expense during the sponsor's present tour.

(h) The Family member has received necessary immunizations before traveling.

(2) Sponsors must provide to the respective S1 verification from the college or university at which the Family member is enrolled as a full-time student. The verification must be dated no earlier than 6 months before the requested travel date.

(3) For requests for Government-funded student travel for children attending a secondary school in CONUS, requesters must provide a verification of enrollment and a statement of nonavailability from DODEA.

d. Funding for the STP. According to AR 55-46, paragraph 4-8, ASCCs, Army commands, and Army DRUs will fund student travel for their Soldiers using the DTS.

e. Points of Contact.

(1) For all STP questions, personnel may contact the Family Travel Section, Military Personnel Branch, Office of the Assistant Chief of Staff, G1, HQ IMCOM-Europe (email: *usarmy.sembach.id-europe.mbx.g1-family-travel@mail.mil*).

(2) For all DTS questions, garrisons RMOs may contact the Office of the Assistant Chief of Staff, G8, HQ IMCOM-Europe (email: *usarmy.sembach.id-europe.mbx.g8-budget@mail.mil*). USAREUR unit RMOs may contact the Office of the Deputy Chief of Staff, G8, HQ USAREUR (email: *usarmy.wiesbaden.usareur.mbx.odcs-g8-pbd-bmb-dts@mail.mil*). All other RMOs may contact either of the above POCs.

NOTE: The Student Travel Application through the USAREUR Personnel Database is no longer used.

PROCEDURES FOR REQUESTS FOR EARLY RETURN OF FAMILY MEMBERS

B-1. PURPOSE

This appendix provides the procedures for completing an early return of dependents (ERD) request packet.

B-2. SOLDIER REQUESTS FOR EARLY RETURN OF DEPENDENTS

A Soldier-requested ERD request packet consists of all of the following documents:

a. DA Form 4187. The DA Form 4187 must be signed by the Soldier (block 9), approved by the company-level commander (block 12), and endorsed by the first commander who is a lieutenant colonel or higher (pg 2, addendum section). Other intermediate or higher-level commanders or supervisors may also endorse if applicable. [Figure B-1](#) provides a sample.

b. A Memorandum for Record (MFR)–Statement of Understanding (SOU). The MFR–SOU provides a signed acknowledgment by the spouse and the Soldier of the expectations and implications of executing an ERD. The MFR–SOU also provides a signed acknowledgement by the company-level commander that he or she has verified the spouse and Soldier fully understand the expectations and implications associated with an ERD action. [Figure B-2](#) provides a sample. If the spouse refuses to make an election or sign the MFR–MOU, the commander should annotate the refusal and the date on the MFR–MOU adjacent to the spouse’s signature block location and then sign (for example, “Spouse refused to identify concurrence or nonconcurrence and refused to sign: 1 January 2015, First MI. Last”).

c. AE Form 55-46C. This checklist should be completed or verified at each level of command (starting at company level) and digitally initialed by the command representative (normally, a personnel specialist) who reviews the documents before forwarding the request packet to the next approval authority.

d. Other documents. Other documents that are required enclosures to the DA Form 4187 include the enlisted record brief (ERB) or officer record brief (ORB), the OCONUS permanent-change-of-station (PCS) move orders with command-sponsorship approval annotated or an approval-letter attached, copies of passports, and the AE Form 55-46A with other applicable supporting documentation.

B-3. REQUESTS FOR COMMAND-DIRECTED EARLY RETURN OF DEPENDENTS

A command-directed ERD request packet consists of the following documents:

a. DA Form 4187. The DA Form 4187 must be approved by the company-level commander (block 12) and endorsed by the first commander who is a lieutenant colonel or higher (pg 2, addendum section). Other intermediate or higher-level commanders or supervisors may also endorse if applicable. [Figure B-3](#) provides a sample.

b. AE Form 55-46C. This checklist should be completed or verified at each level of command (starting at company level) and digitally initialed by the command representative (normally, a personnel specialist) who reviews the documents before forwarding the request packet to the next approval authority.

c. Other documents. Other documents that are required enclosures to the DA Form 4187 include the ERB or ORB, the OCONUS PCS move orders with command-sponsorship approval annotated or an approval-letter attached, copies of passports, and other applicable supporting documentation.

NOTE: The MFR–SOU is not required for a command-directed ERD request packet.

2. Soldier SOU. I understand that approval of this request for an ERD will terminate command sponsorship upon departure of my dependents from Europe and my Family members will not be allowed to return to my overseas place of duty at Government expense during my current tour. I further understand that if I am not accompanied by command-sponsored Family members, I am required to clear Government housing within 15 days after my Family members' departure from this command, to update my basic allowance for housing and cost of living allowance authorizations, and to update or recertify my DD Form 93 and Servicemembers Group Life Insurance designations. My Family members and I have reached an agreement on the division and shipment of household goods (HHG). If I ship a privately owned vehicle (POV) at this time, I understand I will not be authorized another shipment of a POV at Government expense during this tour.
