My dear Procter:

Concerning your letter of December 30, 1921 to Major Cook reference Mr. H. O. Yardley, I am sorry that your predecessor did not give you some idea of his connection with Mr. Yardley. Before you left I thought I mentioned the fact to you that there was such a person in New York connected with us.

Mr. Yardley is doing certain work for us and the War Department. He has a telephone in his office and from time to time needs stationery supplies. It has been the practice in the past for him to submit to the G-2, 2nd Corps Area, usually one telephone voucher a month and two Quartermaster supply vouchers.

I know with this explanation that you will sign the vouchers in question and outside of this, hope that you will forget all about the existence of Mr. Yardley.

Sincerely,

S. Heintzelman,
Colonel, General Staff,
A. C. of S., G-2.

sh

P.S. I might add that Mr. Yardley is in no way duplicating the work of your office.
