---------------	--------	---

Army Musician Proficiency Assessment (Clarinet)

(Score on a scale of 0-6, as prescribed below)

Evaluation Rubric

Category	0/1	2	3	4	5	6
Technique: Mechanics	Displays little to no knowledge of technique. Many incorrect notes and fingerings.	Has knowledge of mechanics, but errors in technique sometimes present.	Demonstrates basic knowledge of technique. Most notes played correctly.	Good technique. Consistently uses mechanics to help performance.	Excellent technique. Rarely misses notes although still has difficulty with hardest literature.	Outstanding technique. Has little difficulty with hardest literature.
Musicality: Phrasing, Dynamics	Little or no phrasing or dynamics present.	No phrasing. Dynamics limited and not controlled.	Focus on technical demands may impede phrasing. Dynamic levels present but not consistent.	Phrasing usually present. Has a firm control of dynamics but extremes may be uncontrolled.	Applies appropriate dynamics. Attentive to phrasing throughout performance.	Effortless and creative phrasing and dynamics, both written and implied.
Tone: Intonation, Range	Tone is unfocused and undersupported. Poor intonation. Limited range.	Middle range is somewhat focused while extreme registers are undeveloped. Unaware of individual pitch tendencies.	Tone is usually focused in middle register. Some flaws in extreme registers. Intonation errors still present.	Supported sound throughout range of instrument. Minor intonation errors.	Sound is resonant through entire range. Able to change color/timbre as needed. Rare intonation errors.	Controls sound and color changes to enhance musicality at the highest level. Range issues are not present. Pitch is very accurate.
Style: Articulation, Note Shapes	Articulation errors throughout. Attacks unclear. Little or no awareness of style. Stylistically limited.	Limited understanding of articulations and style.	Demonstrates some stylistic differences.	Often demonstrates stylistic differences. Minor articulation errors.	Consistently demonstrates stylistic differences. Uses appropriate articulations.	Performs with the nuance and style of a seasoned professional.
Time & Rhythm	Little or no sense of time or rhythm.	Many rhythmic errors in common meters. Subdivision not steady.	Time steady except where technique is lacking. Errors sometimes present in complex meters.	Tempo steady. Can perform mixed and complex meters, although tempo may not be steady. Subdivision is consistent.	Tempi are musical and well thought out. Has no trouble with mixed and complex meters except at faster tempos.	Effortlessly moves through tempi, meters, and subdivisions. Time and rhythm used towards musical end.
Music Preparation	Little or no ability to read the simplest material.	Errors in many aspects of performance.	Able to play section parts given time and some assistance.	Solid section player and capable of some 1st chair material.	Capable of playing most 1st chair parts and some soloistic material.	Soloist. Can read in all keys and meters. Has little difficulty with hardest literature.
