we ran aground. barely got off. stuck for about 10 minutes loaded with pots and the tide going out. right by the embarcadero.

were out now.

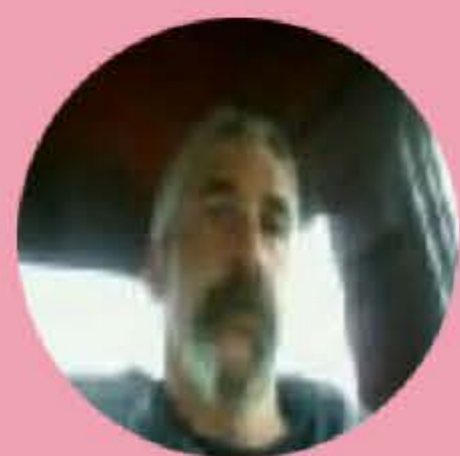

Love you be safe babe

scarey.

this guy. said we were going in before dark. now it's real big and the coast guard called him saying last straw had trouble crossing. I'm putting on my life jacket. coast guard is sending a boat. you can come watch if you want.

Over the Edge by the jetty that little Park

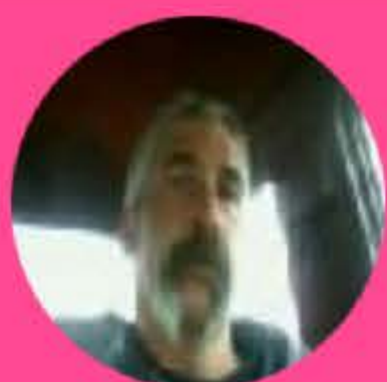

hes not to bright.

Oh my God I'll be there

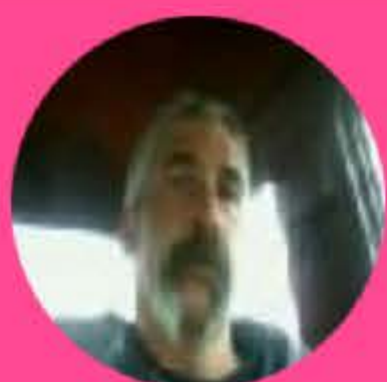

dont stress out. coast
guards going to be
right there.

Okay I'm already stressed
out but okay I'll be right
there

I think there a little
pissed. I told him
there's a reason no
body is out here.

What a dumbass I'm
leaving now so I'll be there
in a few minutes

How long before the Coast
Guard get there

were about 20 minutes
from the tips

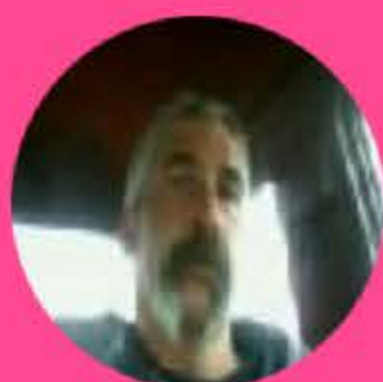

Okay I'll slow down

So should I go to the park
