MEMORANDUM FOR DISTRIBUTION

SUBJECT: Audit of the DoD Foreign Military Sales Agreement Development Process
(Project No. D2019-D000AX-0128.000)

We plan to begin the subject audit in March 2019. This audit is in response to a congressional reporting requirement contained in House Report 115-676, to accompany the National Defense Authorization Act for Fiscal Year 2019. Our objective is to determine whether the DoD coordinated foreign partner requirements for defense articles and services with the Defense Security Cooperation Agency, Military Departments, and other organizations, and whether the metrics used by these components maximize the results of the Foreign Military Sales agreement development process. We will consider suggestions from management on additional or revised objectives.

We will perform the audit at the Under Secretary of Defense for Policy, the Defense Security Cooperation Agency, and the Military Department Foreign Military Sales Implementing Agencies. We may identify additional locations during the audit.

Please provide us with a point of contact for the audit within **5 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to audcolu@dodig.mil.
