MEMORANDUM FOR

HQ USAREUR Staff Principals
Commanders of USAREUR Major Subordinate Commands

SUBJECT: Participation of Local-National Employees in Fitness and Health Programs
in Germany (AE Cmd Memo 2018-053)

1. This memorandum supersedes memorandum, USAREUR, AEPE-C, 7 August 2017, subject: Participation of Local-National Employees in Fitness and Health Programs in Germany (AE Cmd Memo 2017-019).
2. Reference AR 600-63, Army Health Promotion.
3. The reference addresses health programs for units, Soldiers, Family members, and Army Civilians in general and, in paragraph 5-2, fitness and health programs in particular. Army Civilians are encouraged to engage in a regular exercise program and in other health-supporting habits.
4. While AR 600-63 does not specify local-national (LN) civilians or differentiate between U.S. and LN civilians, sponsoring physical-health programs for the entire workforce is an important leadership objective. In accordance with the intent of the reference, units throughout our area of operations have established formalized civilian fitness programs that include all civilian employees, U.S. and LN alike.
5. LN employees who wish to participate and who meet the criteria established and specified in the corresponding fitness and health program will not be excluded from participation and will be subject to the same conditions as U.S. participants.
6. The POC is the Civilian Personnel Directorate, Office of the Deputy Chief of Staff, G1, HQ USAREUR, at military 314-537-1518/1536/1516.
