Dear Meeth: -

On checking up J numbers I find that we received on February 23, M.I.D. No. 1045 (J7431) and on March 11 we received M.I.D. No. 1145 (also J7431). Would you please advise what corrections should be made.

Very sincerely yours,

Dear Major Moorman:

No. 1045 is Section 1 and No. 1145 is Section 2 of the same message, - J-7431. A note at the head of the translation of 1145 explained the circumstances so that is why no correction was made. If you care to do so you can make both copies 1045 and leave 1145 as a blank in your records.

Very sincerely yours,

jcm
