Dear Meeth:-

Reference M. A. material + note that M. A. 455 was received this morning and that M. A. 454 has not been received. Would you please advise if M. A. 454 is still in your office?

Very sincerely yours,

Dear Major Moorman:

Ma 454 is a duplicate of Ma 453. It seems that Tellez sent Ma 453 to the Mexican Consul at Phoenix, Arizona, who could not decipher the message. Ma 454 was then sent to the consul, enciphered in a different key. The wording of Ma 454 is exactly the same as Ma 453 which was sent you around March 21st.

Very sincerely yours,

NOTED
