Dear Yardley: -

I am enclosing carbon copy of letter from Otto Holstein with reference to a proposed course of study in the use of a cipher in the Peruvian Army. Will you please tell me what answer ought to be made?

I presume by the time this reaches New York you will be back on the job. I hope you will be feeling well and thoroughly recovered from your recent disability.

Do you want me to get orders for you to come to Washington, would like very much to see you when you feel that you can make the trip.

Encl.

Very sincerely yours,
