October 18, 1926.

Dear Major Milliken:

The note sent you Saturday morning signed on the typewriter H O Y was dictated by me over the 'phone, as I was sick in bed all day Saturday and Sunday with the grip. Upon my return I find that the office misinterpreted your note and that the memorandum referred to is the Spanish text of TA 89 with penciled interpolations by SD. Sorry this occurred.

Sincerely,

H. O. YARDLEY

Military Intelligence Division,
