Major Marlborough Churchill,
General Staff Headquarters,
2nd Corps Area,
Governors Island, N. Y.

My dear Churchill:-

Reference your letter of October 21st, on the subject of supplies for the New York office, I want to thank you for bringing the matter to my attention. I am making an investigation to see, whether or not, supplies cannot be purchased and paid for directly by this office as you suggest.

I regard the question of properly handling the New York office as one of great importance and request that you assist by using your best judgment and efforts to prevent discussion of any nature whatever of this office or its affairs.

Very sincerely yours,

S. HEINTZEMAN,
Colonel, General Staff,
A. C. of S., G-2.
