November 3, 1922.

Subject: Mexican Cipher Message.

To: A. C. of S., G-2, 8th Corps Area.

Reference letter Oct. 11, 1922, Subject Miscellaneous Mexican Information from Intelligence Officer, Fort Brown to your office and your endorsement of Oct. 18th, there is enclosed translation of the cipher message referred to in paragraphs 2, 3 and 4 of letter together with a table which may be used in deciphering similar messages.

Your attention is invited to the need for caution in the use of information obtained from ciphers. It is suggested that great care be used in the matter of giving post intelligence officers data of this kind. Unless really necessary they should not be informed of results of study of cipher messages.

For the A. C. of S., G-2.

M. E. LOCKE,
Lieutenant-Colonel, General Staff,
Executive Officer, G-2.
