Dear Yardley: -

I am enclosing copy of letter sent to Major Churchill on the subject of supplies, property and telephone service for your office.

Finance officer has been directed to set aside \$60.00 a month to cover expenses already allowed you and in addition office supplies, repair on typewriters, furniture and telephone service.

Please look this over and see if it meets the situation fully and if not let me know what changes should be made.

*Your papers are returned as requested in
letter of Nov 7th.*

Very sincerely yours,

1 encl.

Letter to Major Churchill.
