# **Report on *Ex Gratia* Payments in the Event of Property Damage, Personal Injury, or Death That Was Incident to U.S. Military Operations in Foreign Countries During 2019**

## **I. INTRODUCTION**

In response to Senate Report 116-103, pages 267-68, accompanying the Department of Defense Appropriations Bill, 2020, this report provides information about *ex gratia* payments in the event of property damage, personal injury, or death that was incident to U.S. military operations in foreign countries during 2019.

Military commanders may provide *ex gratia* payments in appropriate circumstances in the event of property damage, personal injury, or death that is incident to U.S. military operations. Such nominal monetary payments help express condolence, sympathy, or goodwill, and are used to support mission objectives. Such payments are (1) not required by law, (2) not an admission of wrongdoing, and (3) not for the purpose of compensating the victim or the victim's family for their loss.

We would note that the circumstances for offering *ex gratia* payments to help express condolence, sympathy, or goodwill in the event of property damage, personal injury, or death *incidentally caused by U.S. forces* are markedly different than the circumstances under which hero payments are made. Generally, hero payments are made to the surviving spouse or next of kin of host-nation defense or police personnel who were *purposely killed by enemy forces* while those personnel were supporting or defending U.S. or Coalition forces.

## **II. EX GRATIA PAYMENTS DURING 2019**

During 2019, 611 *ex gratia* payments were offered and made in the event of property damage, personal injury, or death that was assessed to have been incident to U.S. military operations in foreign countries.

The total amount of such payments was \$1,544,116. The amount, general reason, and country associated with each payment are listed in the attachment.

As a general matter, the authority and source of funds for *ex gratia* payments in Afghanistan for battle damage and to express condolences was the Commanders' Emergency Response Program (CERP), Section 1201 of the National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2012 (Public Law 112-81), as amended. The authority and source of funds for *ex gratia* Hero payments in Afghanistan in 2019 was the Commander's Emergency Response Program (CERP), Section 1201 of the NDAA for FY 2012 (Public Law 112-81), as amended.

The source of funds for *ex gratia* payments in Iraq for condolences was Operation & Maintenance, Army.

With regard to U.S. military operations in Iraq during 2019, six requests for *ex gratia* payments were made to the U.S. Government related to reports of property damage, personal injury, or death incident to U.S. military operations. With regard to U.S. military operations in other foreign countries, including in Afghanistan, during 2019, we are not aware of any requests for *ex*

*gratia* payments submitted to the U.S. Government related to reports of property damage, personal injury, or death incident to U.S. military operations. Because commanders are using *ex gratia* payments in appropriate circumstances to support mission objectives, such payments are not necessarily predicated upon a request by a potential recipient.

In addition to responding to the request for information in Senate Report 116-103, pages 267-68, accompanying the Department of Defense Appropriations Bill, 2020, through this report, DoD will be providing information to Congress about *ex gratia* payments in the following reports:

- quarterly reports in accordance with Section 1213 of the NDAA for FY 2020 (Public Law 116-92); and
- annual reports in accordance with Section 1057 of the NDAA for FY 2018 (Public Law 115-91), as amended.

### **III. OFFICE RESPONSIBLE FOR MAINTAINING INFORMATION ABOUT *EX GRATIA* PAYMENTS**

The Office of the Assistant Secretary of Defense for Special Operations and Low Intensity Conflict is responsible for maintaining information on *ex gratia* payments.
