

INTRODUCTION

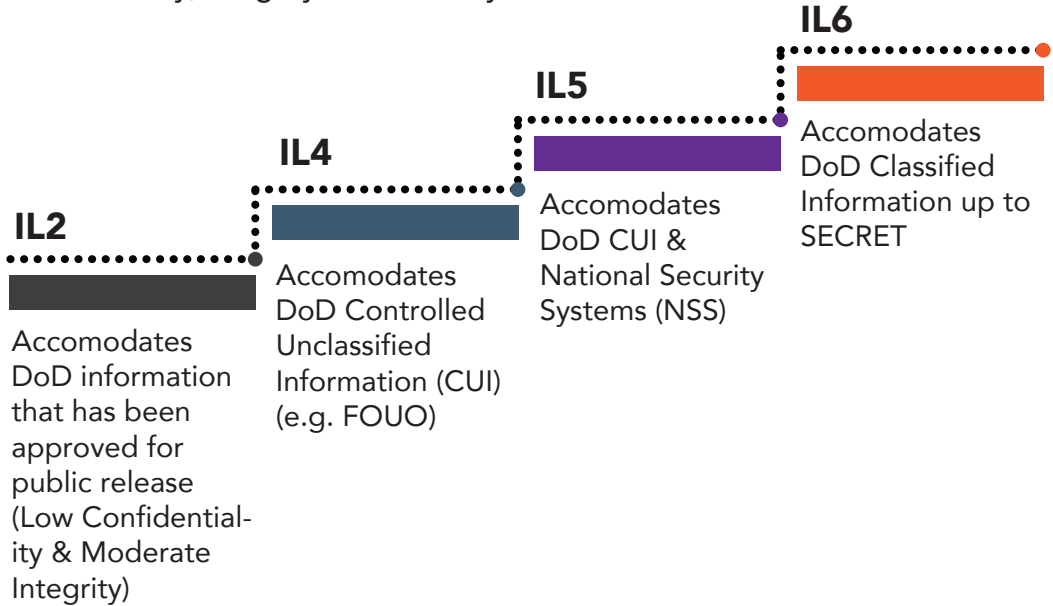

Use this guide to discover what telework capabilities exist across the Navy for military and civilian personnel. Be sure to understand the impact level of information you need to store and relay to determine which capability is appropriate (see bottom).

UNDERSTANDING DoD IMPACT LEVELS

**Impact Level (IL) Definition:** Impact Levels are the combination of: 1. the sensitivity of the information to be stored and/or processed in the cloud; and 2. the potential impact of an event that results in the loss of confidentiality, integrity or availability of that information.
