Vice Admiral B. R. Inman
Director
National Security Agency
Fort George G. Meade, Maryland 20755

Dear Mr. Director:

The Select Committee on Assassinations was established by the House of Representatives pursuant to House Resolutions 222 and 433 to investigate the assassinations of President John F. Kennedy and Dr. Martin Luther King, Jr. In conjunction with our investigation into the assassination of President Kennedy, it has come to the Committee's attention that the National Security Agency has information which will be of substantial assistance to the Committee's inquiry.

The information to which the Committee staff needs access and which is held by the National Security Agency is all outlines and summaries and biographical data relating to the Cuban Intelligence network of Premier Castro covering the period from 1959 - December 31, 1964 with emphasis on operations by Cuban Intelligence operatives in the United States and other Latin American countries, and any analyses of the direction and evaluation of specific assassination operations.

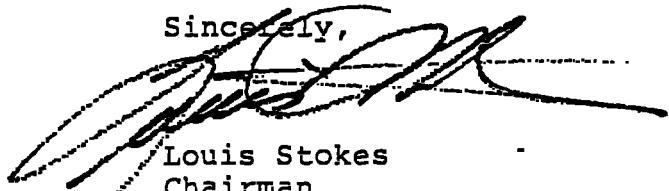

In addition, the Committee requests that it be provided access to any other materials you have relevant to the assassination of President Kennedy or any investigation into the assassination. Access to all materials we will receive from the National Security Agency will be restricted to staff members with a TOP SECRET security clearance.

Vice Admiral B. R. Inman

The Committee requests that it be provided with these materials as soon as possible, and would very much appreciate it if we could receive such access prior to the end of December. Should you have any questions concerning this request, please address them to myself or our Chief Counsel, G. Robert Blakey.

Sincerely,

Mr. Burke,

Attached is a request from the SSCI. I have talked to Fred Cassidy at the FBI and he says that the Committee is looking into the Kennedy assassination and that the SSC provided Veciana's name.

I intend to contact Howard Liebengood next week and will probably arrange for the SSCI to review the document out here at that time.

MEMORANDUM FOR THE RECORD

4 January 1977

SUBJECT: Senate Select Committee on Intelligence (SSCI) Inquiry
into the Assassinations of Kennedy and King

1. On 30 December, the undersigned met with Howard Liebengood, Deputy Staff Director of the SSCI staff and Tom Moore, staff member. The meeting was to permit the Committee to read an NSA end-product report on Cuba in response to the Committee's letter #5900 dated 20 December 1976. The Committee staff members exhibited keen interest in the product and the two Cuban national names contained therein. The Committee staff also indicated that they intended to broaden the scope of their inquiry and would forward to NSA another letter (which has been received and is inclosed) requesting access to all Cuban reports stored in the repository for the period 1961-1965.

2. After the meeting, the undersigned contacted LTC Don Bennett of Mr. Latimer's office to inform him of the first letter since it had been sent directly to NSA. LTC Bennett indicated that another DoD component had been asked for similar information. As a result, LTC Bennett stated Mr. Latimer was revising his earlier containing policy on providing to the SSCI information on the assassinations and now had decided on a policy of full cooperation. At Mr. Latimer's direction, LTC Bennett will draft a letter to Staff Director Bill Miller suggesting a meeting between the SSCI staff and Mr. Latimer's staff; the meeting will focus on projected DoD responses to the Committee's inquiry. NSA will be invited to attend these meetings.
