Deny Access to
Arnold AFB

Grant Access
to Arnold AFB

Occupying indoor space in close proximity while wearing a KN95 respirator is not considered "close contact"

Early Reentry Screening may be approved only if:

- asymptomatic
- wear mask
- conduct daily symptom monitoring
- follow hand and cough hygiene
- do not share equipment
- disinfect workspace

Everyone, regardless of vaccination, must wear a mask indoors on Arnold AFB while CDC community transmission in the vicinity of the installation is designated "high" or "substantial."

Non-Vaccinated personnel MUST maintain 6 feet of social distancing at all times
