

Step 1

SYMPTOM & TRAVEL CHECK

For All Personnel, regardless of vaccination status, has the individual had:

- *"Close Contact" or travel to CDC designated high risk OCONUS location in last 14 days, or
- COVID symptoms or positive test w/in last 10 days

* "Close contact" is defined as spending 15 cumulative minutes within 24 hours indoors and within 6-feet of someone who has tested positive for COVID-19. Occupying indoor space in close proximity while wearing a KN95 respirator is not considered "close contact."

**Early Reentry Screenings may be approved only if:

- approved by the CC
- asymptomatic
- wear mask
- conduct daily symptom monitoring
- follow hand and cough hygiene

Reference Early Screening matrix on AEDC webpage for further guidance.

Everyone, regardless of vaccination, must wear a mask indoors on Arnold AFB while CDC community transmission in the area of the installation is designated "high" or "substantial."

Non-Vaccinated personnel **MUST** maintain 6 feet of social distancing at all times

Step 2

ADDITIONAL SCREENING REQUIRED?
Required only for certain personnel who are not fully vaccinated OR declining to respond to vaccination status. Follow flow chart to assess whether self-screen is necessary.

Step 2b

AFMC Mandatory COVID-19 Testing Decision Matrix (Non-Fully Vaccinated Civilians and Contractors/Official Visitors)

***Official Visitors follow contractor guidance but must have negative self test no earlier than 72 hours from visit.**

Civilian

Not Fully Vaccinated
(Includes Personnel with pending or approved Medical or Religious Exemptions)

- Follow all mitigation measures applicable to not-fully-vaccinated employees.
- Attest to their vaccination status by completing the DD Form 3175 [DAF Guidance](#).
- Screen testing required as a condition to building access ([FHPG 23, Rev 2/DAF Guidance](#))
 - **For Personnel Who Do Not Telework Full-Time**
 - Screen Testing required at least weekly
 - Entry into the workspace requires a negative COVID-19 test performed within the previous 72 hours. Entry is valid for 7 days from the date of the test.
 - If positive, confirmatory test follow-on at MTF (if able to support) or private/public provider
 - Follow [DAF Guidance](#) for positive confirmatory test results.
 - **For Personnel Who Telework Full-Time**
 - Not subjected to (at least) weekly screen self-testing if not entering DoD facility
 - Entry into the workspace requires a negative COVID-19 test performed within the previous 72 hours. Entry is valid for 7 days from the date of the test.

AAFB Notes:
Follow AFMC self-screen matrix and checklist.

Civilians must self-test in accordance with supervisor direction and may use MS Teams or other means of verifying test through government-issued computer. Supervisors validate results.

Supervisors distribute test kits to DoD personnel.

Follow AFMC Self-Test Screen Kits and Confirmation Test Checklist.

Contractor

Not Fully Vaccinated
(Includes Persons who are not performing under a contract that requires vaccination, Persons who have an accommodation from the vaccine, and Persons who decline to attest to their vaccination status.)

- Complete DD Form 3150 indicating vaccination status and show it to authorized DoD personnel upon request
 - Follow all mitigation measures applicable to not-fully-vaccinated employees.
 - Entry into the workspace requires a negative COVID-19 test performed within the previous 72 hours. Entry is valid for 7 days from the date of the test.
 - For contractors with credential recurring access (CRA), weekly screen self-testing required ([FHPG 23, Rev 2, Atch 2/ DAF Guidance](#))
 - If positive, a negative confirmatory test is required for access to DoD facilities
 - DoD Contractor personnel with CRA will maintain most recent test result and show to authorized DoD personnel upon request
- **Contractor employees must coordinate with their employer regarding procedures and availability of testing/ test-kits. If available, test-kits may be provided by DoD for contractor personnel.***

AAFB Notes:
Follow AFMC self-screen matrix and checklist.

Contractors and official visitors maintain 3150 while on Arnold installation or AEDC facility. Failure to maintain 3150 may result in denial of base access.

Contractors are responsible for ensuring employees comply with guidance.

Sponsors of official visitors are responsible for validating DD 3150 & FDA approved self-test no earlier than 72 hours before visit. Notify VCC of individuals who will require proof of negative test.
