The screenshot shows the Amazon Kindle interface. At the top, the Amazon logo and navigation links are visible. The main heading is "Get Your Digital Library Loan". On the left is the book cover for "THE DEATH OF MONEY" by James Rickards. The title "The Death of Money: The Coming Collapse of the International Monetary System [Kindle Edition]" is displayed, along with the author's name "James Rickards (Author)". A red box highlights the "Expiration Date: September 4, 2014". Below this, a text box explains how to return the book, with a "Return Book" button. A red arrow points from the "Return Book" button to the "Get library book" button in a green box on the right. Other elements include a "How does this work?" link, a "Free Kindle Reading App" promotion, and customer reviews.
