

With regard to the Cuban situation:
In a dry-need presentation of the
CCP (March 1963), The Director, NSA,
suggested to Mr. Kirby, that "especially
when presenting to serious DOD officials,
I think we should come out loud
and clear on the long-term assumption
we are making regarding Cuba when
we program fixed facilities in Florida."

* DIRNSA Memorandum, Subj: CCP Presenta-
tion, addressed to Mr. Kirby WADP, 21 March
1963.
