

~~TOP SECRET~~

(Jan 68)  
I

1. NSA is specifically interested in collecting North Korean VHF communications, which are expected to reflect information related to the USS PUEBLO incident. Such information may reveal the intentions of the North Koreans concerning the PUEBLO and its personnel; interrogation proceedings and results; status of possible captured SIGINT equipment; possible changes in the status of the military forces of North Korea; reactions to the U.S. Naval ship movements in the Sea of Japan presently underway; and indications of possible major changes in North Korean communications as a result of captured U.S. technical information.
