OF SITUATION NECESSARY. IF TAPES WERE MADE OF JAMMING SIGNAL,
PLEASE FORWARD TO ASSISTANT DIRECTOR, NATIONAL SECURITY AGENCY,
3801 NEBRASKA AVENUE, N. W., WASHINGTON, D.C., ATTN: S14. ALSO
REQUEST ANY RELATED INFORMATION OR COMMENTS YOU MAY CONSIDER OF
IMPORTANCE.

M/R: [redacted] reported three instances of possible intentional
jamming of distress frequencies [redacted]
during the period of the seizure of the Pueblo. Two of the
jammers were tentatively placed in the [redacted] area, but [redacted] could
not provide details as to the duration of the jamming. [redacted]
considered the interference on distress frequencies highly unusual
and, further, believed it to be intentional. Although P2 and K2
personnel do not consider the cited jammings of distress frequencies
intentional; they agree that a detailed analysis and evaluation
should be made. As a result, S14 has agreed to assist K25 in the
analysis and evaluation of the reported jammings; thus the message
requesting tapes. K25 has agreed to do the analysis of the tapes.

CONCUR: P2 Mr. W. R. Martin D1 CMDR Koczak
