To: MOSCOW

No. 761

7 Apr. 43

To: [Unidentified name]^[1] for FEDOROV.^[11]

Twelfth.

I am seeing to your 14, 15 and 16. In the order I included [1% an automatic] hydrology station and a printing press. The specifications which have been compiled are [0% being worked out] in LEND-LEASE. Out of the stocks of BELYaEV's^[111] Commission there will be despatched in the first half of April battery chargers [and]^[a] accumulators on Order 23-82/142191, Transport No. 97820[,]^[a] and electric measuring instruments on Order 23-82/143088 Transport No. 97818. I will notify TEKHNOIMPORT and the Engineering Directorate of the NKVT^[iv] about details of date of loading and arrival at the port of destination. It would be a good thing [to give]^[a] BELYaEV instructions about the high priority of the despatch of our freight. ZAJTaEV^[v] of SEVMORPUT'^[vi] has undertaken to supervise the execution of the orders. Evidently it will not [1% be necessary] [1 group unrecovered] GOGOLEVA.^[vii]

No. 264

SPERANSKIJ^[viii]
