

USAR 2018-19 Idaho Project Listing

ST	COMP	INSNO	City	Project Title	COST	Project #	Current Status	Remarks
ID	USAR		Boise - OTA	AMSA	\$15,000,000	96093	#27 on 1-N list	
ID	USAR		Boise	ARC/OMS/UHS	\$25,000,000	97729	#3 on 1-N List	

Remark Codes:

- **JC:** *Joint Construction.* A MILCON project that combines the space and functional requirements of two or more Service Components into one facility, thereby eliminating the need to build separate (or unilateral) facilities.
 - Each component occupies the facility, and has some exclusive use space; however, the facility also has shared or common use areas that effectively reduce the overall required square footage.
 - Cost savings occur due to the design and construction of one facility instead of two.
 - Cost savings also occur in contract administration, supervision, inspection, and overhead.
 - Cost savings continue after construction by eliminating duplication of the following requirements: facility sustainment, antiterrorism/force protection, future restoration and modernization costs.
- **JU:** *Joint Use (or Joint Use Construction).* Projects that will be used by more than one component during training activities, however will be funded, designed, and constructed by a single component.
- **Blank:** Unilateral Construction

USMCR 2018-19 Idaho Project Listing

ST	COMP	INSNO	City	Project Title	COST	Project #	Current Status	Remarks
ID	USMCR		Boise	Tank Vehicle Maintenance Facility	\$7,000,000	P-909	FY 23	On-hold
