MEMORANDUM FOR CHIEF OF THE NATIONAL GUARD BUREAU
DIRECTOR, JOINT STAFF
AUDITOR GENERAL, DEPARTMENT OF THE ARMY
AUDITOR GENERAL, DEPARTMENT OF THE AIR FORCE

SUBJECT: Evaluation of the Department of Defense's Efforts to Address the Climate Resilience of U.S. Military Installations in the Arctic and Sub-Arctic (Project No. D2021-DEV0PC-0106.000)

We plan to begin the subject evaluation in May 2021. The objective of this evaluation is to determine the extent to which the DoD has addressed the climate resilience of U.S. military installations in the Arctic and sub-Arctic. We may revise the objective as the evaluation proceeds, and we will also consider suggestions from management for additional or revised objectives.

We will perform the evaluation at Joint Base Elmendorf-Richardson, Alaska; Fort Wainwright, Alaska; Fort Greely, Alaska; Eielson Air Force Base, Alaska; Clear Air Station, Alaska; and Thule Air Base, Greenland. Given the current Health Protection Condition level, we plan to conduct our meetings and discussions with stakeholders virtually, via video and teleconference means. We may identify additional stakeholders and locations during the evaluation.

Please provide us with a point of contact for the evaluation within **5 days** of the date of this memorandum. The point of contact should be either a GS-15, pay band equivalent, or military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to [REDACTED]

You can obtain information about the DoD Office of Inspector General from DoD Directive 5106.01, "Inspector General of the Department of Defense," April 20, 2012, as amended; and DoD Instruction 7050.03, "Office of the Inspector General of the Department of Defense Access to Records and Information," March 22, 2013.
