06/17/2021	2021-CGFO-01562	<p>Dear Sir/Madam, The Philadelphia Water Department is examining the safety of certain areas of the Delaware River for recreational water use. The area under study includes the 27-mile stretch of the Delaware River running from the Tacony-Palmyra Bridge south to the Commodore Barry Bridge. The period under consideration is January 1, 2018 through December 31, 2020. Documents requested: copies of reports pertaining to near-misses and incidents/accidents/injuries involving commercial water craft and recreational water users, including swimming, paddleboarding, tubing, wading, water play by children, kayaking, waterskiing, wakeboarding, and jet skiing. Upon making this same request to the District 5 - Atlantic Area - Coast Guard, we received the following email from (b)(6) :</p> <p>June 9, 2021 9:21:40 AM Good morning Ma'am, Unfortunately the cases that we have pertaining to the Tacony-Palmyra bridge south to the Commodore Barry Bridge are closed and we no longer have access to them. We do have the case file number so when you submit the FOIA request to FOIA.gov it will be easier for them to find.
