

**NOTICE OF AVAILABILITY, PUBLIC COMMENT PERIOD, AND PUBLIC MEETING
PROPOSED PLAN / DRAFT REMEDIAL ACTION PLAN FOR
INVESTIGATION AREA F1
FORMER MARE ISLAND NAVAL SHIPYARD, VALLEJO, CALIFORNIA**

The Department of the Navy (Navy), in coordination with the California Department of Toxic Substances Control (DTSC), the San Francisco Bay Regional Water Quality Control Board (Regional Water Board), and the U.S. Environmental Protection Agency (EPA) invites the public to comment on the Proposed Plan (PP) / Draft Remedial Action Plan (RAP) for Investigation Area F1 at the former Mare Island Naval Shipyard (MINS). The former MINS is located in Vallejo, California west of Mare Island Strait.

The PP/Draft RAP recommends the use of institutional controls (ICs), and excavation and off-site disposal of soil and sediment as the preferred remedial alternative. The Navy in conjunction with the federal and state regulatory agencies has determined that the preferred alternative is protective of human health and the environment and achieves the Remedial Action Objectives developed for Investigation Area F1.

PUBLIC COMMENT PERIOD

The Navy invites the public to review and comment on the PP/Draft RAP during the 30-day public comment period held from September 13, 2017 through October 13, 2017. Public comments will be accepted in writing and must be postmarked, faxed, or e-mailed no later than October 13, 2017. Oral comments will also be accepted at the public meeting. Please send all written comments to the Navy Base Realignment and Closure (BRAC) Environmental Coordinator, Ms. Janet Lear, 33000 Nixie Way, Building 50, Suite 207, San Diego, California 92147, (619) 524-5260 (fax), or janet.lear@navy.mil.
