SUBJECT: Audit of the Army's Administration and Oversight of the Logistics Civil Augmentation Program V Contract in the U.S. European Command Area of Responsibility (Project No. D2022-D000RH-0122.000)

We plan to begin the subject audit in April 2022. The objective of this audit is to determine whether the Army's administration and oversight of the Logistics Civil Augmentation Program V contract in the U.S. European Command area of responsibility was performed in accordance with applicable requirements. We may revise the objective as the audit proceeds, and we will consider management suggestions for additional or revised objectives.

We will perform the audit at various offices and locations in Europe that manage or use the Logistics Civil Augmentation Program V contract. We will select these locations during the audit.

Please provide us with a point of contact for the audit within **5 days** of the date of this memorandum. The point of contact should be a Government employee—a GS-15, pay band equivalent, or the military equivalent. Send the contact's name, title, grade/pay band, phone number, and e-mail address to audrgo@dodig.mil.
