Tour Lengths and Tours of Duty Outside the Continental United States (OCONUS)

A. DoD Service Members. The table below specifies tour lengths OCONUS (in months) for DoD Service members in accordance with [DoD Instruction \(DoDI\) 1315.18 “Procedures for Military Personnel Assignments.”](#) Service member dependent-restricted tours are shown as Not Accompanied (NA) in the table. For National Oceanic and Atmospheric Administration (NOAA) Service members see section B, and for DoD civilian employees see section C.

1. Tour Length Establishment. The standard tour length for a DoD Service member stationed OCONUS is 36 months in an accompanied tour and 24 months in an unaccompanied tour. Hawaii and Alaska are exceptions, with a tour length of 36 months for both accompanied and unaccompanied tours. Military Departments or Combatant Commands may provide conclusive evidence that a specific tour must be a shorter tour. Procedures for establishing an overseas tour length are specified in [DoDI 1315.18](#).

2. Tour Length Change. Submit a tour length change proposal as specified in [DoDI 1315.18](#). Do not submit a tour length change proposal to the Per Diem, Travel and Transportation Allowance Committee (PDTATAC).

3. Reserve Component Exception. Reserve Component members authorized permanent change of station (PCS) allowances for an overseas assignment, as specified in the Joint Travel Regulations paragraphs 030302 or 032301, are not required to serve the established tour length for the country or overseas area where assigned. See [DoDI 1315.18](#).

4. Key Billets. For key billet policy and assignment procedures see [DoDI 1315.18](#) and Under Secretary of Defense (Personnel and Readiness) memorandum, “Overseas Tour Length Change – Locations in the Arabian Peninsula,” 06-02-2020.

D. Civilian Employee Special Circumstance Tour of Duty

1. Special Circumstance Tour of Duty. The tours of duty for the persons listed below are exceptions to the standard tours of duty in par. C.

a. DoD Education Activity Personnel

(1) Professional Personnel in 20 U.S.C. §§901-907 Teaching Positions. The tour of duty for a person in a teaching position under the DoD Education Activity (see 20 U.S.C. §§901-907) is 1 or 2 school years, as required, plus the time required in the area because of arrival before the school year starts and while awaiting transportation upon departure. The school year for a person in a teaching position is limited to 190 working days, including no fewer than 175 days of classroom instruction.

(2) Professional Personnel Not in 20 U.S.C. §§901-907 Teaching Positions. The tour of duty for professional personnel not in 20 U.S.C. §§901-907 teaching positions is 12 months in those areas where the tour of duty for other DoD employees is less than 24 months. In all other areas, the tour of duty is 24 or 36 months, as appropriate. Professional personnel not in teaching positions include school principals, administrators, and other personnel whose services are required for a full calendar year.

(3) Professional Personnel in 20 U.S.C. §§901-907 Teaching Positions Reassigned without Returning to CONUS to Positions Not Subject to 20 U.S.C. §§901-907 for which the Tour of Duty is 36 Months. If an overseas teacher subject to 20 U.S.C. §§901-907 is reassigned to a non-teaching position without returning to the CONUS, then he or she must serve the 36 month tour less the length of the teaching tour.

Example: An overseas teacher has served 10 months of a 36-month tour. He or she was assigned to a new, non-teaching position OCONUS without returning to the CONUS. He or she must complete the remaining 26 months in the new tour.

(4) Professional Personnel in 20 U.S.C. §§901-907 Principal and Assistant Principal Positions. The tours are expressed in terms of school years rather than calendar years. Except as provided in pars. A1a, A1b, and A1c, tours of duty are 3 school years under the initial service agreement and 2 school years under each subsequent agreement.
