SUBJECT: Evaluation of the Department of Defense's Health, Safety, and Environmental Hazard Identification and Remediation Oversight Reform in Privatized Military Housing (Project No. D2022-DEV0SR-0001.000)

We plan to begin the subject evaluation in August 2022. This evaluation is the third in a series of three evaluations we will perform in response to the National Defense Authorization Act (NDAA) for Fiscal Year 2020 (Public Law 116-92), section 3044, "Inspector General Review of Department of Defense Oversight of Privatized Military Housing." The objective of this evaluation is to determine the extent of the Department of Defense's compliance with privatized military housing oversight requirements related to health, safety, and environmental hazard identification and remediation in the FY 2020 and FY 2021 National Defense Authorization Acts. We may revise the objectives as this evaluation proceeds, and we will consider suggestions from management for additional or revised objectives.

We will perform this evaluation at the Offices of the Under Secretary of Defense for Acquisitions and Sustainment and Personnel and Readiness, the Military Department office locations, and at multiple military installations. We anticipate holding our entrance conference on **Wednesday, September 28, 2022**. Additionally, we anticipate conducting site visits October through December 2022.

Please provide us with points of contact for this evaluation by **Friday, September 16, 2022**. All points of contact should be either a GS-15, pay band equivalent, or military equivalent. Send the contacts' name, title, grade/pay band, phone number, and e-mail address to [REDACTED]. Additionally, please provide us a written response to the attached request for information by **Friday, September 16, 2022**.
